

**1721.0460 INTRASTATE MOVEMENT.**

Subpart 1. **Sheep and goats requiring official identification.** Sheep and goats must be identified with official identification upon movement from the flock to another location and before being commingled with sheep and goats from other flocks, except restricted-movement feeder animals as described in subpart 2.

Subp. 2. **Sheep and goats not requiring official identification.** A restricted-movement feeder animal that has not been designated as a scrapie-positive, suspect, high-risk, or exposed animal as defined in Code of Federal Regulations, title 9, part 79.1, may be moved without official identification to a:

A. state-approved or state-federal approved livestock market that restricts the sale of unidentified animals to slaughter channels in a manner approved by the board;

B. slaughtering establishment, either directly or through market channels; or

C. terminal feedlot, either directly or through market channels, when accompanied by a document which indicates that the unidentified animals must be slaughtered by 18 months of age.
