

2500.0710 CONTINUING EDUCATION UNITS FOR EXAMINERS.

Minnesota licensed chiropractors will receive up to nine units of credit for continuing education for participation in the development of an examination, the administration of an examination, or the postexamination audit when the units are verified in writing by the chief examiner or other designee of the board. Units must be calculated according to part 2500.0100, subpart 4a. No chiropractor may receive more than 18 units per calendar year.
