

2500.1550 ALTERNATIVES TO TRADITIONAL CLASSROOM PRESENTATION.

A chiropractor may obtain the annual requirement through alternatives to traditional classroom presentations. The programs must be approved by the board or a board-approved sponsor according to parts 2500.1200 to 2500.2000. The programs approved for continuing education credit under this part must include a written assessment instrument, designed to ensure that the chiropractor actively participated in the presentation of material and derived a measurable benefit from participation. For the purposes of this part, an instrument that provides a minimum of two questions from each unit of instruction, and of which 75 percent or more are correctly answered, satisfies this requirement.
