

2890.1350 ALTERNATIVE TECHNOLOGIES.

In determining the reasonableness of a cost for a consultant services task or item that is:

- A. not an emergency response task;
- B. not listed in part 2890.1300, 2890.1500, or 2890.1600; and
- C. performed during the limited site investigation or full remedial investigation step of services or as part of excavation and soil disposal oversight before the investigation, the board will consider the prevailing market cost for the task or item and the amount charged in the same geographical area during the same time period for a substantially similar task or item.
