

2955.0050 INSPECTING CERTIFIED PROGRAMS.

Subpart 1. **Inspections; rule compliance.** Each treatment program must be inspected to ensure that it is in compliance with this chapter.

Subp. 2. **Inspections; how conducted.** Department inspections may take place at any time and must be conducted according to Minnesota Statutes, section 241.021, subdivision 1.

Subp. 3. **Program records.** Each treatment program must maintain documentation in client and program records to demonstrate its compliance with this chapter. Each program must also document:

- A. compliance with its written policies and procedures;
 - B. the number of clients served;
 - C. the type, amount, frequency, and cost of services provided;
 - D. that services provided are delivered consistent with individual client treatment plans;
- and
- E. the effectiveness in achieving the client's treatment goals.
