

3200.0700 DESIGNER SELECTION CRITERIA.

In making its selection of designers the board shall consider the criteria listed below:

- A. qualifications and technical competence in the required field of design;
- B. ability to deal with aesthetic factors;
- C. capacity to accomplish the work and services within the required constraints;
- D. availability of appropriate personnel;
- E. geographic relationship of the designer's base to the project site; and
- F. awards previously made to a designer by the state. This is in the interest of equitable distribution of commissions.

The criteria do not necessarily have the same weight, nor are their relative weights necessarily constant from one project to another. The board may issue statements regarding criteria as they relate to individual projects.
