

3317.6000 CERTIFICATION FOR CARING LEAVE.

Subpart 1. **Certification requirements.** Certification for an applicant seeking leave to care for a family member with a serious health condition must include:

- A. the relationship of the applicant to the family member who needs care;
- B. the proposed leave schedule for the applicant to care for the family member; and
- C. an attestation by the health care provider signing the certification that affirms:

(1) that the family member requires care from the applicant and that the health care provider is treating the family member; and

(2) the date on which the serious health condition commenced, the probable duration of the condition, and the facts within the knowledge of the health care provider establishing that the family member requires care.

Subp. 2. **Multiple applicants.** If more than one applicant seeks leave to provide care for the same family member with a serious health condition, the applicants' certification must be completed by the same health care provider.
