Revocation is final, except that a person whose license has been revoked may petition the board for licensure under subpart 6.

Subp. 4. **Suspension.** Suspension includes the temporary withdrawal of a license or renewal privilege. Suspension disqualifies a person from performing any function that is permitted on the basis of holding a license issued under the rules of the board. A. If the suspended license was an entrance license that has lapsed during the suspension, that license must be reinstated upon proper application after the period of suspension has expired and upon presentation of reliable evidence that all terms and conditions that the board imposed have been fulfilled, if the applicant has had less than one year of administrative or supervisory experience while holding the entrance license. If the applicant has gained a year or more of experience on the entrance license before the suspension and the license has lapsed during the suspension, a five-year continuing license must be granted after all other conditions stated in this part have been met.

B. If the suspended license is an entrance license that has not lapsed during the suspension, the person may resume administrative or supervisory functions for whatever period of time remains

on that license after the period of the suspension has expired and upon presentation of reliable evidence that all terms and conditions that the board imposed have been fulfilled.

C. If the suspended license is a continuing license that has not lapsed during the period of the suspension, the person may resume administrative or supervisory functions for whatever period of time remains on the continuing license after the suspension has expired and upon presentation of reliable evidence that all terms and conditions that the board imposed have been fulfilled.

D. If the suspended license is a continuing license that lapsed during the period of the suspension, the person may apply for another continuing license that must be granted if the suspension has expired, the person presents reliable evidence that all terms and conditions the board imposed have been fulfilled, and demonstrates the current continuing education requirements have been completed.

The application form must comply with Minnesota Statutes, section 14.056, subdivision 1, and must include instructions for completing the form and a description of the variance process.

Subp. 3. **Criteria.** In reviewing a variance request, the board must consider the information required under Minnesota Statutes, section 14.056, subdivision 1, and the following:

A. whether application of the rule to the individual circumstances of the applicant would serve the purpose of the rule;

Subp. 6. **Order; timing.** Within 60 days of receipt of a completed variance application, the board must issue a written order granting or denying a variance and specifying the scope and period of the variance. The board must not grant a discretionary variance for a period longer than one year. The order must include a statement of relevant facts and the reasons for the board's action.

Subp. 7. **Limitations.** A variance may be granted to the applicant only for the specific circumstances for which the request is made.
