

3525.0850 BEHAVIOR INTERVENTIONS.

This policy is intended to encourage the use of positive approaches to behavioral interventions. The objective of any behavioral intervention must be that pupils acquire appropriate behaviors and skills. It is critical that behavioral intervention programs focus on skills acquisition rather than merely behavior reduction or elimination. Behavioral intervention policies, programs, or procedures must be designed to enable a pupil to benefit from an appropriate, individualized educational program as well as develop skills to enable them to function as independently as possible in their communities.
