

**3800.4010 TWO-YEAR ELECTRICAL PROGRAM.**

To qualify for approval, a two-year electrical program must be a postsecondary program that awards a diploma or an associate of applied science degree at completion and meets the requirements of parts 3800.4000 to 3800.4055. Satisfactory completion of an approved two-year electrical program fulfills the 12-month experience credit allowance for a Class A journeyworker electrician, power limited technician, or maintenance electrician license applicant according to part 3800.3520, subpart 5, items B, E, and I, and Minnesota Statutes, section 326B.33, subdivisions 2, paragraph (b), and 7, paragraph (b).
