

3900.9100 UNCLASSIFIED APPOINTMENTS.

Appointing authorities may make appointments to unclassified positions authorized in accordance with statute. Unclassified appointments do not require public notice. Unless otherwise specified in a statute, an appointing authority may appoint to an unclassified position any person he or she considers qualified. For persons appointed to positions for which compensation is established under Minnesota Statutes, section 43A.18, subdivisions 1, 2, and 3, the appointing authority shall submit the person's resume to the commissioner. No employee shall serve in positions authorized under part 3900.1300 performing the same function in the same agency for more than three years in total.
