

**4310.8160 AMENDMENTS.**

A request for an amendment in the project scope, costs, or time period may be submitted to the Community Development Division prior to project termination. If the request is eligible for a LAWCON amendment and the Community Development Division considers the amendment request to be reasonable and justified and it does not substantially affect the project eligibility under part 4310.8130, it may request NPS to approve the amendment.
