

4350.3110 WITHDRAWAL FROM MASTER APPLICATION PROCESS.

Subpart 1. **Agency withdrawal.** An agency which has responded affirmatively under part 4350.3030, subpart 6, may withdraw from the process at any time if it has subsequently determined that it has no permit programs applicable to the project. The withdrawal becomes effective when the agency submits written notice of this determination to the coordination unit and to the applicant. The cost of a change or withdrawal of any notice required under these rules resulting from agency withdrawal shall be paid by the applicant if such withdrawal is due to an alteration the applicant has made in the project that is not required by a public agency or if the agency's initial affirmative determination was based on incorrect information supplied by the applicant; in all other cases, the withdrawing agency shall pay for the change or withdrawal of notice.

Subp. 2. **Applicant withdrawal.** If an applicant has initiated the master application process, the applicant may at any later time withdraw from further participation in the process by submitting written notification to the coordination unit. If such withdrawal necessitates a change or withdrawal of any notice required under these rules, the applicant shall pay the cost, if any, of such change or withdrawal of notice.
