

4525.0340 SUBMISSION TO BOARD; BOARD-INITIATED INVESTIGATIONS AND MATTERS NOT RESOLVED BY CONCILIATION AGREEMENT.

Subpart 1. **Submission to board.** The executive director must submit the following matters to the board for decision under this part:

A. a matter under staff review that is not resolved by conciliation agreement under parts 4525.0320 and 4525.0330; and

B. any other matter that the board is to consider for the authorization of a formal investigation, other than a matter arising from a filed complaint.

The submission must be in writing, must describe the potential violation involved, and must include any supporting information. The submission must explain the actions undertaken in any summary proceedings and any points of disagreement preventing resolution of the matter.

The respondent must be given an opportunity to be heard by the board prior to the board's decision regarding the submission.

The executive director must send notice of the submission to the respondent. The notice must be sent not later than the time that the submission is provided to the board and must include a copy of the submission. The notice must include the date of the meeting at which the board will consider the matter, and a statement that the respondent has the opportunity to be heard by the board before the board's determination regarding the submission.

Subp. 2. **Board action on submission.** When it receives a submission under this part, the board must take one of the following actions:

A. provide guidance and direct the executive director to begin or to continue a staff review;

B. dismiss the matter without prejudice;

C. order a formal investigation of the matter; or

D. issue findings, conclusions, and an order resolving the matter.

The board must consider the evidence in the executive director's submission and the information and arguments in any statement submitted by the respondent.

In making its determination, the board must consider the type of possible violation; the magnitude of the violation if it is a financial violation; the extent of knowledge or intent of the violator; the benefit of formal findings, conclusions, and orders compared to informal resolution of the matter; the availability of board resources; whether the violation has been remedied; and any other similar factor necessary to decide whether the matter under review warrants a formal investigation.

Unless the board directs the executive director to continue an existing staff review, the board's determination must be made in writing. The executive director must promptly notify the respondent of the board's determination.

Subp. 3. **Formal investigation ordered.** An order for a formal investigation must describe the alleged violations to be investigated, the scope of the investigation, and the discovery methods available for use by the board in the investigation.

When the board orders a formal investigation, the executive director must promptly notify the respondent that the board has ordered a formal investigation into the matter.

The notice to the respondent must:

- A. include a copy of the order initiating the investigation;
- B. explain how the investigation is expected to proceed and what discovery methods are expected to be used;
- C. explain the respondent's rights at each stage of the investigation, including the right to provide a written response and the right to counsel; and
- D. state that the respondent will be given an opportunity to be heard by the board prior to the board's determination as to whether any violation occurred.
