

4620.7600 RADON SYSTEM TAG REQUIREMENTS.**Subpart 1. Purchasing tags.**

A. A radon mitigation company must purchase radon system tags by:

(1) completing and submitting an application on a form provided by the commissioner;
and

(2) submitting the nonrefundable fees according to Minnesota Statutes, section 144.4961, subdivision 8, paragraph (a), clause (5), for the number of tags to be purchased and payable to the Department of Health.

B. A radon mitigation professional engaged as a sole proprietor with no employees and no subcontractors who are licensed radon mitigation professionals may purchase radon system tags as required in this subpart, without becoming a licensed radon mitigation company.

Subp. 2. Postmitigation checklist. A radon mitigation professional must complete a postmitigation checklist, on a form provided by the commissioner, before attaching a radon system tag.

Subp. 3. Attaching tags. A radon mitigation professional must attach a radon system tag to a radon system:

A. in a location:

(1) in the interior of the building that is being mitigated;
(2) next to the system pressure gauge; and
(3) that is visible without having to move or remove items, furnishings, or building materials; and

B. on the date of project completion.
