

4626.1265 5-501.18 CLEANING EQUIPMENT AND SUPPLIES.

A. Except as specified in item B, suitable cleaning equipment and supplies, including high pressure pumps, hot water, steam, and detergent, shall be provided as necessary to effectively clean receptacles and waste handling units for refuse, recyclables, and returnables.

B. If approved, off-premises-based cleaning services may be used if on-premises cleaning implements and supplies are not provided.
