

4640.1200 NARCOTIC RECORD.

A record shall be maintained for all narcotics administered. This record shall contain the date, hour, name of patient, name of physician, kind of narcotic, dose, and name of person by whom administered. A federal permit is necessary for the purchase of narcotics for stock use. Application for this permit must be approved by the commissioner of health. This approval is based on the proper storage of narcotics and the maintenance of a record book of narcotics.
