Subpart 1. **Record complete.** No report required by this chapter is considered to be filed until the commissioner has determined that the report is complete. "Complete" means that the report contains adequate and appropriate data for the commissioner to begin the review and is in a form determined to be acceptable by the commissioner according to chapter 4652.

Subp. 2. **Review by commissioner.** The commissioner shall review each report required by chapter 4652 in order to ascertain that the report is complete. If the report is found to be complete or if the commissioner has not notified the group purchaser within 60 days of receiving the report that the report is incomplete, then the report is deemed to be filed as of the day it was received.

Subp. 3. **Incomplete report.** A report determined by the commissioner to be incomplete must be returned to the group purchaser with a statement describing the report's deficiencies. The group purchaser must resubmit an amended report to the commissioner. If the report is resubmitted within 30 days and is determined to be complete by the commissioner, then it shall be deemed to be filed as of the day it was first received by the commissioner.

Subp. 4. **Amending reports.** If a group purchaser discovers a material error in its statements or calculations in any of its submitted reports ascertained by the commissioner to be complete, the group purchaser shall immediately inform the commissioner of the error and, within a reasonable time, submit a written amendment to the report. Submission of an amendment under this subpart does not affect the date of filing.

Subp. 5. **Error in reports.** If the commissioner discovers a material error in the statements or calculations in a report, the commissioner shall require the group purchaser to amend and resubmit the report by a date determined by the commissioner.
