

4660.1000 FINAL INSPECTION.

The department shall be notified at least 30 days prior to the completion of construction so that arrangements can be made for a final inspection by the department and by the state fire marshal. Completion involves the entire construction, equipment, staffing patterns and services. Mechanical and electrical systems shall be completed and tested for performance and safety in accordance with specifications and state requirements before new construction can be licensed and patients or residents admitted.
