

## **4668.0220 SURVEYS AND INVESTIGATIONS.**

**Subpart 1. Surveys.** Except as provided in subpart 3 or 10, the commissioner may survey each applicant or licensee before issuing a new license or renewing an existing license. An applicant for a license that is certified and surveyed by the Minnesota Department of Health for Medicare or medical assistance shall be surveyed at the time of its next certification survey. Applicants and licensees shall provide any and all information requested by the surveyor or investigator that is within the scope of licensure.

**Subp. 2. Coordination of surveys.** If feasible, the commissioner shall survey licensees to determine compliance with this chapter at the same time as surveys for certification for Medicare and medical assistance if Medicare certification is based on compliance with the federal conditions of participation and on survey and enforcement by the Minnesota Department of Health as agent for the United States Department of Health and Human Services.

**Subp. 3. Biennial surveys.** A licensee that has been licensed for at least two consecutive years and that has been in substantial compliance with this chapter and Minnesota Statutes, sections 144A.43 to 144A.47, and has had no serious violations in that period, may be surveyed every second license term rather than during each license term.

**Subp. 4. Complaint investigations.** Upon receiving information that a licensee may be violating or may have violated a requirement of this chapter or Minnesota Statutes, sections 144A.43 to 144A.47, the commissioner shall investigate the complaint.

**Subp. 5. Scheduling surveys.** Surveys and investigations shall be conducted without advance notice to licensees. Surveyors may contact licensees on the day of a survey to arrange for someone to be available at the survey site. The contact does not constitute advance notice.

**Subp. 6. Contacting and visiting clients.** Surveyors may contact or visit a licensee's clients without notice to the licensee. Licensees shall provide a list of current and past clients and responsible persons with addresses and telephone numbers upon request of a surveyor. Before visiting a client, a surveyor shall obtain the client's or responsible person's permission by telephone, by mail, or in person. Surveyors shall inform all clients and responsible persons of their right to decline permission for a visit.

**Subp. 7. Information from clients.** The commissioner may solicit information from clients by telephone, mail, or other means.

**Subp. 8. Client information.** Upon the commissioner's request, licensees shall provide to the commissioner information identifying some or all of its clients and any other information about the licensee's services to the clients.

Subp. 9. **Sampling of clientele.** The commissioner may conduct a written survey of all or a sampling of home care clients to determine their satisfaction with the services provided.

Subp. 10. **Surveys of class C licensees.** The commissioner may survey class C licensees by telephoning, visiting, or writing to the licensees' clients. Office visits may be conducted, but are not required.
