

4670.4110 PROMOTIONS.

Employees who are promoted shall have their salaries raised to the minimum rate of pay for the new class. If their salaries before promotion fall within the range of the new class but not on any step within that range, the salaries shall be adjusted to the next higher step.

Employees granted salary increases after having been promoted may be permitted to retain that increase when returned to a lower class, if their salaries do not exceed the maximum salary for the lower class.
