

4720.9075 SANCTIONS.

If a project fails to conform to approved plans and specifications, or a financial assistance recipient fails to comply with the requirements of parts 4720.9000 to 4720.9080, the commissioner must request the authority to withhold or terminate either total or partial disbursements to the financial assistance recipient. Once an agreement for correcting the condition which led to the withholding of funds is reached between the commissioner and the financial assistance recipient, the commissioner must recommend to the authority that the retained funds be released according to the provisions of the agreement.
