

**4725.1650 CONTINUING EDUCATION REQUIREMENTS.**

An individual well contractor or a certified representative of a well contractor or monitoring well contractor must successfully complete six contact hours of continuing education activities annually, of which at least two hours must be obtained from a continuing education program presented or sponsored by the commissioner. A certified representative of a limited well/boring contractor or elevator boring contractor must successfully complete two contact hours of continuing education annually presented or sponsored by the commissioner. A certified representative with multiple limited well/boring or elevator boring certifications need only successfully complete two contact hours of continuing education annually presented or sponsored by the commissioner.

An individual well contractor or certified representative is exempt from the continuing education requirements for one year following the completion of the examination in part 4725.1025.

An individual well contractor or certified representative who fails to complete the continuing education required by this part, must not conduct contracting, or represent a licensee or registrant, for activities regulated by this chapter.
