

**4732.0100 PURPOSE AND SCOPE.**

Subpart 1. **Purpose.** The purpose of this chapter is to control and prevent hazards to health and safety from ionizing radiation without limiting or interfering with its constructive uses.

Subp. 2. **Scope.** Except as otherwise specified, this chapter applies to all persons who receive, possess, use, transfer, own, or acquire any radiation-producing equipment. The scope of this chapter does not include those sources of ionizing radiation known as radioactive materials, which are covered under chapter 4731.

Subp. 3. **Additional requirements.** In addition to the requirements established in this chapter, the commissioner must impose upon any registrant any requirements deemed appropriate or necessary to minimize danger to public health and safety.

**Statutory Authority:** *MS s 144.12*
