A transfer of the property to a surviving joint tenant, if any, by reason of the death of the recipient does not constitute a default.

In the event of default, the homeownership assistance fund loan is immediately due and payable in its entirety, at the option of the agency, and is subject to interest from the date of default until the date of payment at the same rate of interest as the first mortgage loan on the property.

4900.1375 USE OF HOMEOWNERSHIP ASSISTANCE FUND.

Subpart 1. **Scope.** The homeownership assistance fund may be used for the purposes specified in this part and within the limitations specified.

Subp. 2. **Monthly assistance.** The agency may provide recipients with interest-free monthly assistance loans in the form of monthly payments of a portion of the principal and interest installment due on mortgage loans for eligible properties. The payment must not exceed \$160 per month, and must be reduced annually.

Subp. 3. **Entry cost assistance.** The agency may provide interest-free loans to recipients who are determined, on the basis of normal credit procedures, to lack the financial resources necessary to pay entry costs on the property to be purchased. The amount of the entry cost assistance loan must equal (1) the maximum allowable under the applicable mortgage insurance program; or (2) \$3,500 if the maximum allowable under clause (1) exceeds this amount. Entry cost assistance may be used to pay a portion of the entry costs on the property to be purchased that are customary within the mortgage industry.

Subp. 4. **Noninterest participation loans.** The agency may take an interest-free participation interest in a first mortgage loan on an eligible property to reduce the interest rate on the mortgage note executed by recipients to affordable levels. The maximum interest rate reduction that the agency may effect on a first mortgage through a participation interest is two percent.

Subp. 5. **Equity participation loan.** The agency may provide equity participation loans to recipients in which a share of the equity proportionate to the agency's share of the equity participation loan shall be repaid to the agency upon sale of the property. The maximum equity participation loan that the agency may provide must not exceed 20 percent of the purchase price of the property or \$15,000, whichever is less.

Subp. 6. **Buy-down loans.** The agency may provide an interest-free loan to buy down the interest rate on a first mortgage on an eligible property to enable increased recipient affordability. The maximum amount that a mortgage interest rate may be permanently bought down is 1.5 percent. The maximum amount that a mortgage interest rate may be temporarily bought down is three percent, and the amount of the interest rate buy-down may not be reduced to a level that exceeds one percent per year.

Subp. 7. **Equity contribution loans.** The agency may provide interest-free equity contribution loans on an eligible property to enable a recipient to afford to purchase a home. The maximum

equity contribution loan that the agency may provide must not exceed 20 percent of the purchase price of the property or \$15,000, whichever is less.

Subp. 8. **Emergency mortgage assistance.** The agency may provide interest-free emergency mortgage assistance loans or mortgage reinstatement loans for recipients who own and occupy an eligible property and who have been unable to make mortgage payments due to unemployment, medical reasons, death of a mortgagor, or other valid, substantiated reasons; are at least 60 days behind in monthly payments on a first or second residential mortgage; and have reasonable prospects for maintaining a first or second mortgage after receiving such a loan. Recipients must be ineligible for mortgage assistance from any federal government program. Loans may provide for installment of principal, interest, real estate taxes, hazard or flood insurance, mortgage insurance premiums, and homeowners association dues.

Subp. 9. **Construction or rehabilitation loans.** The agency may make or participate in construction or rehabilitation loans to nonprofit entities as defined in part 4900.0010, subpart 21, for the construction or rehabilitation of housing designed for program recipients. The maximum loan may not exceed the "average area purchase price safe harbor limitations for single family residences" as provided and adjusted from time to time by the United States Department of Housing and Urban Development under section 103(a) of the Internal Revenue Code of 1986. The minimum interest rate for loans under this part must not be less than three percent per year and the maximum term of the loan must not exceed three years. The loans shall be provided primarily in circumstances in which the agency is implementing efforts or programs to aid in disposition of government real estate assets or in specific neighborhood revitalization efforts. The loans may be made in conjunction with other subsidies from public or private sources. The agency shall impose requirements customarily used within the mortgage industry to effect repayment of loans provided under this part.

Subp. 10. **Coinsurance and mortgage insurance risk sharing agreements.** The agency may provide for coinsurance or risk sharing pools to facilitate the availability of agency mortgage financing programs in cooperation with either government mortgage insuring or guaranteeing entities, or with private mortgage insurance entities licensed to do business in the state and maintaining an A2 rating from Moody's Investor's Service and AA from Standard and Poors Corporation. The fund must be limited to provide for mortgage insurance services for first mortgage loans with loan-to-value ratios in excess of 90 percent in areas of the state in which mortgage insurance services are unavailable on reasonable terms and conditions. The agency may not contribute more than five percent of the original principal amount for each loan to be coinsured under the pool, and may not pay more than 50 percent of the losses incurred on a claim for a defaulted mortgage loan subject to the pool.

Subp. 11. **Administrative fees.** The agency may provide administrative fees to entities assisting homebuyers as part of a larger program to help at-risk homebuyers achieve homeownership in conjunction with other types of homeownership assistance fund assistance, as listed in this part. The fee must not exceed \$50,000 per year per administrative entity.

4900.1390 LIMITS ON HOMEOWNERSHIP ASSISTANCE.

The agency may further limit the amount of homeownership assistance fund money provided under part 4900.1375, subparts 2 to 8, to provide that recipients do not receive assistance beyond the amount necessary to make homeownership affordable under mortgage industry accepted underwriting standards. Among the factors that the agency must consider in limiting the amount of assistance shall be the interest rate on the first mortgage loans, the percentage of recipient income that may reasonably be spent on housing payments, the availability of funds from other sources to combine with the homeownership assistance fund, the resources available under the homeownership assistance fund, and general housing and construction costs in the state.

4900.1572 HOMEOWNERSHIP MORTGAGE PARTICIPATION COMPONENT.

The agency may arrange to leverage urban Indian housing loan program funds, interest free, with other funds from the agency or another private or public source in order to reduce the interest rate on individual mortgage loans to affordable levels. A maximum of 30 percent of the total financing provided for each individual mortgage may be provided from urban Indian housing loan program funds. The mortgage note or coupon rate is established for each individual mortgage loan in the following manner:

Y_s = Interest rate for the independent funding source

S = Funding source's percentage of total mortgage loan

I = Urban Indian program's percentage of total mortgage loan

S/F = Servicing fee

$(Y_s \times S) + (I \times S/F) =$ note or coupon rate

Examples of sources of funds that may be leveraged with urban Indian program funds include, but are not limited to, proceeds from agency mortgage revenue bond sales, proceeds from municipal or county mortgage revenue bond sales, mortgage commitments from private mortgage lenders or secondary mortgage market organizations, or mortgage commitments from nonprofit, public, or governmental sources. In cases in which mortgage revenue bond proceeds are used, all requirements or restrictions imposed on the use by the bond issuer, except as may be specifically modified by the issuer to facilitate the purpose of the urban Indian housing program, must be in full force and effect and complied with. In cases in which sources of funds are provided from other than mortgage revenue bond proceeds, the following requirements or restrictions are also imposed unless specifically waived by the commissioner or agency.

A. Recipients may not have had an ownership interest in a principal residence for three years directly before the date of mortgage loan closing as provided in Internal Revenue Code, section 103A.

B. Recipients must intend to occupy the property as a principal residence within 60 days of loan closing.

C. Both recipients and properties to be mortgaged must meet mortgage industry underwriting standards pertaining to the type of mortgage being provided, for example, FHA, VA, or conventional mortgage.

The agency shall establish a maximum purchase price limitation for homes to be financed under this part that in no instance may exceed the amount provided under the agency's mortgage revenue bond programs.

4900.3320 LIMITATIONS ON NEW CONSTRUCTION; METROPOLITAN AREA.

Minnesota Statutes, section 462A.073, limits new construction in the seven-county Twin Cities metropolitan area. The statute allows new housing that is part of a housing affordability initiative that meets one or more of the criteria in items A to F.

A. The program is accepted or designated under the United States Department of Housing and Urban Development (HUD) Affordable Housing Program or any successor program sponsored by HUD to encourage affordable new housing.

B. The program provides that financial resources other than those necessary to complete the mortgage revenue bond sale are applied to reduce the cost of the housing or improve the terms of the mortgage loans provided through the sale. A contribution greater than or equal to five percent of the purchase price of each newly constructed home to be financed with mortgage revenue bond proceeds must be provided to meet this criterion. The contribution may be provided either in whole or in part from federal, state, or local government resources or programs, private foundations, or the Federal Housing Finance Board.

C. The program provides that the applicable local government authority in the jurisdiction in which the new housing is to be constructed takes affirmative steps to relax regulation to result

in greater housing affordability. The steps must demonstrably reduce the cost of the housing by at least five percent.

D. The program supports the efforts of housing groups that support self-help or owner built housing initiatives in which at least 15 percent of the labor or materials or both needed to complete the new housing is acquired or donated through the efforts of such groups.

E. The program provides that the new housing is constructed by a nonprofit entity as defined in part 4900.0010, subpart 21, that has as a primary purpose the provision or development of affordable housing to low- and moderate-income homebuyers.

F. The new housing is located on a parcel purchased by the city or conveyed to the city under Minnesota Statutes, section 282.01, subdivision 1.

For those applications not containing evidence of the conditions cited in item F, the annual rental amount must at least equal the total amount of financial assistance attributable to the cost of buildings divided by the number of years of the useful life of the buildings.

Subp. 3. Repayment requirements. The financial assistance is subject to the repayment requirements in items A and B.

A. If the applicant sells all of the property, the sale must be at fair market value and the applicant must repay the lesser of either the net proceeds of the sale or the amount owing to the agency at the time of the sale. The amount repaid shall be considered to be payment in full of the entire outstanding balance of the financial assistance owed the agency.

If the applicant sells part of the property, the sale must be at fair market value and the applicant must repay the lesser of either the net proceeds of the sale or the amount owing to the agency at the time of the sale. The amount repaid shall be credited against the outstanding balance of the financial assistance owed the agency.

B. If the applicant owns and uses the property for the purposes identified in the application for a period of 20 years from the date the financial assistance is first supplied to the applicant, the outstanding balance of the financial assistance owed to the agency shall be considered to have been paid in full.

4900.3632 RENTAL HOUSING.

Subpart 1. **Generally.** For rental housing, the agency shall provide challenge program funds in the form of a deferred loan. The agency shall provide challenge program funds in the form of a grant if:

A. the applicant provides documentation confirming that another funding source requires the agency's funds to be provided in the form of a grant; and

B. the other funding source is providing a greater amount of funding than the agency is providing.

Subp. 2. Loans for rental housing.

A. The agency shall award challenge program loans in the form of a deferred loan unless an amortizing loan is requested by the borrower and deemed financially feasible by the agency. The agency shall base its determination of financial feasibility on whether the rental housing shall generate enough cash flow to support the amortizing loan. In making this determination, the agency shall consider the rental housing's projected income less its projected expenses. The term of the loan is 30 years from the date of the loan closing; however, the agency may adjust the loan term based on any of the following factors:

(1) requirements and conditions of other funding sources related to loan term;

(2) the existence of a leasehold mortgage on the property benefited by the loan; or

(3) economic analysis by agency staff demonstrating that the housing will not have sufficient value at the end of the loan term to allow the borrower to repay the loan.

B. Challenge program loans bear interest at a rate of zero percent unless a higher interest rate is necessary to allow challenge program funds to be used with other funding sources. Principal and interest, if any, is due and payable at the end of the 30-year term.

Subp. 3. Grants for rental housing.

A. The term of challenge program grants is 30 years from the date of the grant award; however, the agency may adjust the grant term based on requirements and conditions of other funding sources related to the grant term or the existence of a leasehold mortgage on the property benefited by the grant.

B. Challenge program grants must be repaid in full to the agency if the grant recipient does not comply with the conditions of the grant agreement with the agency. Challenge program grants must be forgiven in full at the end of the 30-year term if the grant recipient remains in compliance with the grant agreement throughout the grant term.

Subp. 4. **Repayment processing fee.** The agency shall charge borrowers a repayment processing fee when a challenge program loan or grant is repaid in full, as provided in the loan or grant agreement between the borrower or grant recipient and the agency. The amount of the processing fee is equal to the approximate administrative costs incurred by the agency in processing the repayment.

Subp. 5. **Sale of housing or assumption of loan.** The agency shall approve the sale of rental housing financed, or the assumption of a loan or grant made, under this part if the entity purchasing the rental housing or assuming the loan meets the agency's current mortgage credit and underwriting standards. The agency shall charge the original borrower or grant recipient an assumption fee in an amount equal to the approximate administrative costs incurred by the agency in processing the sale or assumption, as provided in the loan or grant agreement between the borrower or grant recipient and the agency.

4900.3634 OWNER-OCCUPIED HOUSING.

Subpart 1. **Generally.** To determine whether to award challenge program funds for owner-occupied housing in the form of an interim loan or a deferred loan, the agency shall consider the type of activity for which the applicant seeks funding and the needs described in the application. The agency shall provide funding to a successful applicant in the form of a loan unless the applicant provides documentation satisfying the conditions in subpart 3.

Subp. 2. **Loans for owner-occupied housing.** Challenge program funds provided in the form of a loan may be interim loans or deferred loans.

A. The agency may provide challenge program funds in the form of an interim loan to acquire, rehabilitate, demolish, or construct owner-occupied housing. Interim loans bear interest at a rate of two percent unless the interest rate would adversely affect the affordability of the housing for the eligible homebuyers that the applicant is proposing to serve, in which case the interim loan is interest free.

The term of an interim loan is 20 months; however, the agency may adjust the loan term based on requirements and conditions of other funding sources related to the loan term or economic analysis by agency staff of the financial feasibility of the owner-occupied housing. The determination of financial feasibility shall be based on whether all sources of funding are available and sufficient to cover the total development costs of the housing. Principal and interest, if any, is due and payable at the end of the 20-month term. Interim loans shall not be transferred to eligible homebuyers.

B. The agency may also provide challenge program funds in the form of an interest-free deferred loan for purposes of interim or permanent financing. A deferred loan is used to help bridge funding gaps not covered by a first mortgage or other sources of funding for owner-occupied housing. A deferred loan must be repaid:

- (1) when the owner-occupied housing constructed, acquired, or improved with the proceeds of the deferred loan is sold, transferred, or otherwise conveyed by the eligible homebuyer;
- (2) when the eligible homebuyer ceases to use owner-occupied housing constructed, acquired, or improved with the proceeds of the deferred loan as owner-occupied housing; or
- (3) on the date that is 30 years from the date of the loan closing;

whichever occurs first.

Subp. 3. **Grants.** Challenge program funds may be provided in the form of a grant if the funds will be used to finance:

A. the gap that exists between the sale price of the owner-occupied housing and the construction costs of the housing; or

B. other eligible activities for which the agency could not recoup loans without increasing housing costs beyond that which the eligible homebuyer could afford. In deciding to award grant funds, the agency shall also consider administrative ease and whether the award would expand and preserve affordable housing opportunities for a longer period of time.

Subp. 4. **Loan repayment.**

A. A successful applicant shall repay to the agency all challenge program funds awarded to it in the form of a loan if the successful applicant ceases to use the funds as stated in its application to the agency and in the manner provided in any agreement between the successful applicant and the agency governing the use of the challenge program funds.

B. The successful applicant may retain the proceeds of the challenge program loan and revolve the funds under either of the following two conditions:

(1) Condition one:

(a) the successful applicant uses the challenge program funds for the same purpose for which the agency originally awarded the funds within two years of the original award; and

(b) the location of the owner-occupied housing to be acquired, rehabilitated, or constructed with the funds is identified in the application.

The successful applicant's authority to revolve the funds beyond the initial two years may be renewed upon application to and approval by the agency.

(2) Condition two:

(a) the successful applicant uses the challenge program funds to finance the difference between the cost of the owner-occupied housing and the amount that the eligible homebuyers targeted by the successful applicant can afford for housing, based on industry standards and practices; and

(b) the successful applicant uses the challenge program funds for the same purpose for which the agency originally awarded the funds within two years of repayment of the funds to the successful applicant.

Subpart 1. **Generally.** At least 75 percent of funds in the housing trust fund program must be used for the benefit of persons and families whose gross incomes, at the time of the initial occupancy, do not exceed 30 percent of the median family income for the metropolitan area. This median income may be adjusted for family size for families with five or more people. A household with

Section 8 project-based or voucher assistance is deemed to meet the income requirements of this subpart.

Subp. 2. **Operating subsidy-unique costs.** The agency may fund those costs of operating rental housing that are unique to the operation of low-income rental housing and supportive housing. To be eligible for operating subsidy-unique costs funding under the housing trust fund program, applicants must satisfy the requirements in items A and B.

A. The proposed operating costs must be critical both to the economic viability of the housing development and to serving the population for whom the housing is designed. Examples of operating costs that are eligible for funding under this subpart include front desk operation, costs of operating service-related space, security, tenant coordinator, and interpretative services.

B. The housing trust fund program funds must be used to provide an operating subsidy for a housing development in which the assisted units provide housing for persons and families whose gross incomes at the time of initial occupancy do not exceed 60 percent of median income as determined by HUD for the metropolitan area. This median income may be adjusted for family size for families with five or more people. A household with Section 8 project-based or voucher assistance is deemed to meet the income requirements of this item.

To be eligible for operating subsidy-revenue shortfall funding under the housing trust fund program, applicants must satisfy the requirements in items A and B.

A. The operating subsidy funds must be used to reduce the difference between the costs of operating the housing development and the rents that the tenants expected to reside in the assisted units can afford to pay. The operating subsidy funds may not be used to pay an asset management fee to the owner of the housing development.

B. The housing trust fund program funds must be used to provide an operating subsidy for a housing development in which the assisted units provide housing for persons and families whose gross incomes, at the time of initial occupancy, do not exceed 60 percent of median income as determined by HUD for the metropolitan area. This median income may be adjusted for family size for families with five or more people. A household with Section 8 project-based or voucher assistance is deemed to meet the income requirements of this item.

4900.3767 ADMINISTRATION OF TENANT-BASED AND SPONSOR-BASED RENTAL ASSISTANCE.

Subpart 1. **Amount of assistance.** There is no minimum amount of rental subsidy that an administrator must provide to each tenant. The maximum amount of rental subsidy provided to each tenant will be no greater than the difference between 30 percent of the tenant's gross income and the payment standard as established by the local public housing agency or housing and redevelopment authority according to Code of Federal Regulations, title 24, part 982.

Subp. 2. **Form of funding.** The agency shall provide tenant-based and sponsor-based rental assistance funding to the administrator according to the agreement between the administrator and the agency governing the use of the rental assistance funding.

Subp. 3. **Length of time.** An eligible tenant shall not receive rental assistance for longer than five consecutive years. This time limit does not apply to eligible tenants who have applied for federal rental assistance but have not been accepted in such programs due to funding limitations, or who are ineligible for federal rental assistance.

An administrator shall not commit to provide rental assistance to an eligible tenant for amounts or terms in excess of funding allowable under the grant agreement between the administrator and the agency.

Subp. 4. Termination of rental subsidy.

A. An administrator must terminate a tenant's rental subsidy, according to the termination procedures in subpart 5, item A, when, upon annual recertification and verification of income, it determines that 30 percent of the household's monthly gross income for the preceding four consecutive months equals or exceeds the market rent for the unit in which the household resides plus the utilities for which the tenant is responsible. The utilities for which the tenant is responsible will be determined by using the utility allowance calculation provided by the local public housing agency or housing and redevelopment authority.

B. An administrator may terminate a tenant's rental subsidy, according to the termination procedures in subpart 5, item B, if the tenant is evicted for (1) serious or repeated violations of terms and conditions of the lease or (2) violation of any federal, state, or local law that imposed obligation on the tenant in connection with occupancy or use of the unit in which the tenant resides.

C. An administrator may terminate a tenant's rental subsidy, according to the termination procedures in subpart 5, item C, if the tenant fails to cooperate with the annual recertification process, including property inspection.

A tenant shall be given an opportunity to meet with the administrator and submit any information documenting that income did not exceed the limits and justifies continuing the subsidy.

Example: if on January 12 the administrator determines that 30 percent of the tenant's gross income for each of the four months from September through December equals or exceeds the market rent for the unit in which the household resides plus the utilities for which the tenant is responsible, the administrator will provide notice to the tenant that the rental subsidy will end on the last day of March.

B. If an administrator gives notice to terminate a tenant's rental subsidy because the tenant is being evicted under the conditions in subpart 4, item B, the administrator shall provide written notice to both the tenant and the owner or management agent that the rental subsidy will end on the last day of the month in which the tenant vacates the unit.

C. If an administrator gives notice to terminate a tenant's rental subsidy because the tenant is not cooperating with the annual recertification process under the conditions in subpart 4, item C, the administrator shall submit written notice to the tenant and owner or management agent that the tenant has 60 days to comply with recertification requirements. If the tenant does not comply with recertification requirements within 60 days, the administrator shall submit written notice to

the tenant and owner or management agent that the rental subsidy will end on the last day of the month in which the tenant receives the notice.

Subp. 6. **Administrative fees.** The agency shall pay administrators of tenant-based and sponsor-based rental assistance a monthly administrative fee for each month in which an eligible household resides in a rental housing unit. The applicant shall propose an administrative fee in its application.
