

5210.0850 ORDER DENYING VARIANCE.

If the commissioner denies an application for a temporary or a permanent variance, the order denying the variance must include:

- A. the name and address of the person or organization requesting the variance;
- B. the rule, or provisions of the rule, from which the application requested a variance;
- C. the extent and duration of the variance requested; and
- D. a concise statement of the reasons for denying the variance request.
