5220.0410 REHABILITATION PLAN.

Subpart 1. **Purpose.** The purpose of the rehabilitation plan is to communicate to all interested parties the vocational goal, the rehabilitation services, and the projected amounts of time and money that will be needed to achieve the vocational goal.

Authoritative references for describing a vocational history and a vocational goal in the plan and for analyzing jobs are the Dictionary of Occupational Titles and the Guide to Job Analysis. These documents are incorporated by reference in part 5220.0105.

Subp. 2. **Requirements.** If a rehabilitation consultation results in a determination that an employee is a qualified employee for rehabilitation services, the assigned qualified rehabilitation consultant shall, in consultation with the parties, develop, record, and file a rehabilitation plan on the form prescribed by the commissioner containing substantially the following:

A. information identifying the employee, employer, insurer, and assigned qualified rehabilitation consultant;

B. the employee's occupation at time of injury; the Dictionary of Occupational Titles, which is incorporated by reference in part 5220.0105, code for that occupation; and the vocational goal of the rehabilitation plan;

C. itemization of the rehabilitation services to be provided including any vendor names, anticipated service completion dates, estimated service costs, and projected total plan cost and plan completion date;

D. the dated signatures of the employee, insurer, and assigned qualified rehabilitation consultant if the parties are in agreement with the plan;

E. employee comments, if any; and

F. instructions to the parties that if they disagree with the plan they have 15 days from their receipt of the proposed plan to resolve the disagreement or object to the proposed plan, and that an objection must be filed with the commissioner.

Subp. 3. **Process.** Upon preparation of the proposed plan, and within 30 days of the first in-person contact between the assigned qualified rehabilitation consultant and the employee, the assigned qualified rehabilitation consultant shall provide to all parties a copy of the proposed rehabilitation plan.

Subp. 4. **Party's response.** Upon receipt of the proposed rehabilitation plan, each party must, within 15 days, either:

A. sign the plan signifying agreement and return it to the assigned qualified rehabilitation consultant; or

B. promptly notify the assigned qualified rehabilitation consultant of any objection to the plan and work with the assigned qualified rehabilitation consultant to resolve the objection by agreement.

However, if the objection is not resolved, the objecting party must file a rehabilitation request for assistance with the commissioner within 15 days of receipt of the proposed plan. These disputes will be resolved according to part 5220.0950.

If no rehabilitation request for assistance objecting to the plan is filed within 15 days of the party's receipt, the plan approval process will occur as provided in subpart 6.

Subp. 5. **Filing the plan.** The assigned qualified rehabilitation consultant shall file the rehabilitation plan with the commissioner within 45 days of the first in-person contact between the qualified rehabilitation consultant and the employee or within 15 days of circulation to the parties, whichever is earlier.

Subp. 6. **Plan approval.** A rehabilitation plan that all parties have signed is deemed approved by the commissioner upon filing.

If a party fails to sign the plan or fails to file a rehabilitation request for assistance objecting to the proposed plan within the 15 days specified in subpart 4, item B, it shall be presumed that the party is in substantial agreement with the plan's vocational objective and the services that are proposed. In this event the assigned qualified rehabilitation consultant shall file the plan with the commissioner along with evidence of the date the plan was sent to each party and, upon receipt, the plan will be deemed approved. A party's failure to sign a plan shall not constitute a waiver of any right to subsequently dispute the plan or to dispute payment of rehabilitation fees relative to the plan.

In reviewing rehabilitation plans pursuant to Minnesota Statutes, section 176.102, subdivision 6, the commissioner shall notify all interested parties of the nature of any additional information

necessary for the review, any recommended modifications to the plan, and any decision approving, modifying, or rejecting a plan.

If the commissioner refers issues relating to a plan to a compensation judge or an administrative conference pursuant to Minnesota Statutes, section 176.106, all parties shall be notified of that action and of all applicable related procedures.

Commencement of a plan without objection from the commissioner shall not constitute a waiver or an estoppel of the commissioner's or compensation judge's authority over the plan.

Subp. 7. Communication with treating doctor. Upon filing the rehabilitation plan with the commissioner, the assigned qualified rehabilitation consultant shall, within the limitations of part 5220.1802, subpart 5, send a copy of the employee's rehabilitation plan to the employee's treating doctor.

Subp. 8. Adherence to plan. The services provided by rehabilitation providers shall be according to the approved rehabilitation plan.

Subp. 9. Administration of plan. All rehabilitation services shall be provided to an employee pursuant to Minnesota Statutes, section 176.102, as stated in the rehabilitation plan and any subsequent amendments, and shall be administered exclusively by a person or business entity registered and approved by the commissioner as a qualified rehabilitation consultant or a qualified rehabilitation consultant firm.

The assigned qualified rehabilitation consultant shall monitor registered rehabilitation vendor compliance with the rehabilitation plan.

Job development and job placement services shall be provided either by rehabilitation providers registered by the commissioner or by a facility accredited by the National Commission on Accreditation of Rehabilitation Facilities (CARF), Tucson, Arizona. The CARF Directory of Accredited Organizations Serving People with Disabilities and its Standards Manual for Organizations Serving People with Disabilities are incorporated by reference in part 5220.0105. The insurer may select the vendor of job development or job placement services.

Subp. 10. Disputes. In the case of a dispute about a rehabilitation plan or any rehabilitation services provided, any party may file a rehabilitation request for assistance according to Minnesota Statutes, chapter 176, or part 5220.0950.

Subp. 11. Travel expenses. The insurer shall reimburse the employee for automobile mileage pursuant to Minnesota Statutes, section 176.102, subdivision 9, at the rate paid by the employer for ordinary business travel expenses, or the rate paid by the state of Minnesota under the commissioner's plan for employment-related travel, whichever is lower.

Subp. 2. **Requirements.** Except as otherwise permitted by subpart 3, six months after the assigned qualified rehabilitation consultant has filed an approved rehabilitation plan with the commissioner, the assigned qualified rehabilitation consultant shall complete a plan progress report on the form prescribed by the commissioner that contains the following:

A. information identifying the employee, employer, insurer, and assigned qualified rehabilitation consultant;

B. the employee's current medical status and work status;

C. the costs to date for rehabilitation services by all rehabilitation providers and the estimated costs to plan completion;

Subp. 3. **Filing; subsequent and alternative filing; copies to parties.**

A. The assigned qualified rehabilitation consultant shall file the six-month plan progress report with the commissioner within 15 days after six months have passed from the date of the filing of the rehabilitation plan. However, the plan progress report is not required to be completed if a plan amendment containing the information in subpart 2, items A to E, is filed within 15 days before or after six months have passed from the date the rehabilitation plan was filed.

B. Subsequent plan progress reports may be requested by the commissioner to monitor the progress of the rehabilitation plan. Subsequent reports must be filed with the commissioner within 15 days after the commissioner's written request.

C. The qualified rehabilitation consultant must provide copies of progress reports to the employee, the insurer, and attorneys representing the employee and insurer, at the time the reports are filed with the commissioner. The qualified rehabilitation consultant shall also provide a copy to the date of injury employer if the goal of the rehabilitation plan is to return the employee to work with that employer.

Subp. 4. **Commissioner's actions.** Based on the information contained in the current plan progress report and in other reports available to the commissioner, the commissioner may perform a more thorough review of the rehabilitation effort. The purpose of the commissioner's review is to determine if the plan is adequate to carry out the objectives of rehabilitation under Minnesota Statutes, section 176.102, subdivision 1, paragraph (b). The commissioner's review may include, but is not limited to the following:

A. requesting additional information from the assigned qualified rehabilitation consultant, the qualified rehabilitation consultant firm, and the registered rehabilitation vendor;

B. conducting an on-site inspection during normal business hours of the assigned qualified rehabilitation consultant's records for documentation of service provision according to the rehabilitation plan; and

5220.0510 PLAN AMENDMENT AND CLOSURE.

Subpart 1. **Reasons for amendment.** Whenever circumstances indicate that the rehabilitation plan objectives are not likely to be achieved, proposals for plan amendment may be considered by the parties. A rehabilitation plan may be amended for good cause, including but not limited to:

A. a new or continuing physical limitation that significantly interferes with the implementation of the plan;

B. the employee is not participating effectively in the implementation of the plan;

C. a need to change the vocational goal of the rehabilitation plan;

D. the projected rehabilitation cost or duration, as stated in the rehabilitation plan, will be exceeded; or

E. the employee feels ill-suited for the type of work for which rehabilitation is being provided.

Subp. 2. **Procedure and responsibilities.** The assigned qualified rehabilitation consultant shall recommend a plan amendment when reasons for amendment are present. Parties other than the assigned qualified rehabilitation consultant may propose amendments. It is the responsibility of the assigned qualified rehabilitation consultant to facilitate discussion of proposed amendments.

Subp. 2a. **Process.** Upon preparation of the proposed plan amendment the assigned qualified rehabilitation consultant shall provide a copy to the employee, the insurer, and any attorneys representing the employee or insurer. The qualified rehabilitation consultant shall also provide a copy to the date of injury employer if the goal of the rehabilitation plan is to return the employee to work with that employer.

Subp. 2b. **Party's response.** Upon receipt of the proposed rehabilitation plan amendment, the employee, insurer, and qualified rehabilitation consultant must, within 15 days, either:

A. sign the plan amendment signifying agreement and return it to the assigned qualified rehabilitation consultant; or

B. promptly notify the assigned qualified rehabilitation consultant of any objection to the plan amendment and work with the assigned qualified rehabilitation consultant to resolve the objection by agreement.

However, if the objection is not resolved, the objecting party must file a rehabilitation request for assistance with the commissioner within 15 days of receipt of the proposed amendment. These disputes will be resolved according to part 5220.0950.

If no rehabilitation request for assistance objecting to the plan amendment is filed within 15 days of the party's receipt, the approval process will occur as provided in subpart 2d.

Subp. 2c. **Filing.** The assigned qualified rehabilitation consultant shall file a copy of the rehabilitation plan amendment with the commissioner within 15 days of circulation to the parties.

Subp. 2d. **Approval.** A rehabilitation plan amendment that all parties have signed is deemed approved by the commissioner upon filing.

If a party fails to sign the plan amendment or fails to file a rehabilitation request for assistance objecting to the proposed plan within the 15 days specified in subpart 2b, it shall be presumed that the party is in substantial agreement with the plan amendment's vocational objective and the services that are proposed. In this event the assigned qualified rehabilitation consultant shall file the plan amendment with the commissioner along with evidence of the date the plan amendment was sent to each party and, upon receipt, the plan amendment will be deemed approved. The insurer is liable for reasonable fees for a rehabilitation plan that is deemed approved under this subpart until a further plan amendment is filed or ordered by the commissioner or compensation judge. A party's failure to sign a plan amendment shall not constitute a waiver of any right to subsequently dispute it or to dispute whether the rehabilitation fees relative to it are reasonable.

Subp. 3. **Requirements.** The rehabilitation plan amendment shall be filed on the form prescribed by the commissioner. The prescribed form shall contain substantially the following:

A. identifying information on the employee, employer, insurer, the assigned qualified rehabilitation consultant, and any change of qualified rehabilitation consultant;

B. the proposed amendment;

C. a rationale for the amendment;

D. if the amendment adds rehabilitation services, an itemization of each additional rehabilitation service to be provided including any registered rehabilitation vendor names, dates of initiation and completion, and estimated costs of each service;

E. if the amendment will result in a change in the projected plan completion date, the new completion date;

F. if the amendment will result in a change in the projected plan cost, the new estimated cost;

G. employee comments, if any; and

H. the dated signatures of the employee, insurer, and assigned qualified rehabilitation consultant.

Subp. 3a. Reporting a change of qualified rehabilitation consultant.

A. When the employee has the right to change qualified rehabilitation consultants without approval under part 5220.0710, subpart 1, the plan amendment form is not required to be circulated to the parties for signature under subparts 2b, 2c, and 2d, but the new qualified rehabilitation consultant shall notify the department of the change by filing a plan amendment form with the commissioner. The plan amendment shall be filed with the commissioner within 15 calendar days of receipt of information transferred by the former qualified rehabilitation consultant as required by part 5220.1802, subpart 4a. The new qualified rehabilitation consultant shall also send a copy of the form to the parties as specified in subpart 2a when it is sent to the commissioner for filing.

B. If approval of a change of qualified rehabilitation consultants is required under part 5220.0710 and the insurer has approved the change, the new qualified rehabilitation consultant shall reflect the change on the plan amendment form, circulate the form for signatures, and file the form with the commissioner within 15 calendar days of obtaining the signatures. The former qualified rehabilitation consultant shall transfer information to the new qualified rehabilitation consultant as required by part 5220.1802, subpart 4a. If approval is required and the insurer has not agreed to the change, the employee shall proceed according to part 5220.0710, subpart 3.

C. If a qualified rehabilitation consultant elects to withdraw as the assigned qualified rehabilitation consultant under subpart 7a, item C, the consultant shall document the withdrawal on the plan amendment form. The qualified rehabilitation consultant shall file the plan amendment form with the commissioner and send a copy to the parties as specified in subpart 2a and the department's vocational rehabilitation unit when it is sent to the commissioner for filing.

Subp. 4. Amendment by commissioner. If a plan is modified for good cause pursuant to Minnesota Statutes, section 176.102, subdivision 8, or as a result of an administrative conference pursuant to Minnesota Statutes, section 176.106, the commissioner shall notify all interested parties of the modification and the reasons for the modification.

Subp. 5. Request for closure before plan completion by filing request for assistance. At any time, the insurer or employee may request the closure or suspension of rehabilitation services by filing a rehabilitation request for assistance with the commissioner. The commissioner or a compensation judge may close or suspend rehabilitation services for good cause, including, but not limited to:

A. a new or continuing physical limitation that significantly interferes with the implementation of the plan;

B. the employee's performance indicates that the employee is unlikely to successfully complete the plan;

C. the employee is not participating effectively in the implementation of the plan; or

D. the employee is not likely to benefit from further rehabilitation services.

Subp. 6. **Commissioner's authority to initiate closure.** If the commissioner initiates the termination of rehabilitation services pursuant to Minnesota Statutes, section 176.102, subdivision 6, or through an administrative conference pursuant to Minnesota Statutes, section 176.106, all interested parties shall be provided written notice of the proposed decision and an opportunity to be heard either in person or through the submission of written information.

Subp. 7. **Closure report by assigned qualified rehabilitation consultant.** The assigned qualified rehabilitation consultant shall file a rehabilitation plan closure report on a form prescribed by the commissioner within 30 calendar days of knowledge that:

A. the employee has been steadily working at suitable gainful employment for 30 days or more, or the time period provided for in the plan;

B. the employee's rehabilitation benefits have been closed out by an award on stipulation or award on mediation;

C. the employee and insurer have agreed to close the rehabilitation plan;

D. the qualified rehabilitation consultant has been unable to locate the employee following a good faith effort to do so;

E. the employee has died; or

F. the commissioner or a compensation judge has ordered that the rehabilitation plan be closed and there has been no timely appeal of that order.

The form reporting plan closure must be sent to the employee and the insurer when filed with the commissioner. The form shall contain substantially the following:

(1) identifying information on the employee, employer, insurer, and assigned qualified rehabilitation consultant;

(2) the reason for closure of the rehabilitation plan;

(3) if the employee is working, information identifying the employer with whom the employee returned to work, the job title, the return to work date, the weekly wage upon return to work, and whether the employee has continued working for 30 calendar days;

(4) a summary of the rehabilitation services provided and rehabilitation costs by all rehabilitation providers;

(5) the assigned qualified rehabilitation consultant's dated signature and a statement that the qualified rehabilitation consultant certifies that the form was served on the employee and

insurer, any attorneys representing them, and the vocational rehabilitation unit, if applicable, on the date specified; and

(6) notice to the employee about how to contact the department with questions or concerns about the closure.

Subp. 7a. Plan closure report; insurer's denial of further liability.

A. The qualified rehabilitation consultant shall also file the plan closure report form specified in subpart 7 if the consultant decides to withdraw as the assigned qualified rehabilitation consultant after the insurer has provided written notice to the employee, the employee's attorney, the commissioner, and the qualified rehabilitation consultant that the insurer is denying further liability for the injury for which rehabilitation services are being provided. The qualified rehabilitation consultant shall attach a copy of the insurer's notice to the plan closure form and shall provide a copy of the form and notice to the employee, any attorney for the employee, and the vocational rehabilitation unit established under Minnesota Statutes, section 176.104.

B. The qualified rehabilitation consultant shall continue to provide services according to the approved plan until the plan closure report form is filed and provided to the parties and the vocational rehabilitation unit as specified in item A.

C. This subpart does not apply if a claim petition, objection to discontinuance, request for an administrative conference, or other document initiating litigation has been filed on the liability issue. Where any of these litigation documents have been filed and the qualified rehabilitation consultant decides to withdraw as the assigned qualified rehabilitation consultant, the consultant shall document the withdrawal on the rehabilitation plan amendment form according to subpart 3a, item C.

Subp. 8. Disputes. In the case of a dispute about a plan amendment or closure, any party may file a rehabilitation request for assistance according to Minnesota Statutes, chapter 176, and part 5220.0950.

**5220.0710 EMPLOYEE CHOICE OF QUALIFIED REHABILITATION CONSULTANT;
CHANGE OF QUALIFIED REHABILITATION CONSULTANT.**

Subpart 1. Employee right to choose. Pursuant to Minnesota Statutes, section 176.102, subdivision 4, the employee has a right to choose a qualified rehabilitation consultant as defined in part 5220.0100, subpart 23, once at any time in the period beginning before the rehabilitation

consultation and ending 60 days after filing of the rehabilitation plan. Within these time limitations, the employee need not seek the approval of the insurer when choosing a qualified rehabilitation consultant. If the employee chooses a qualified rehabilitation consultant under this part, the employee shall notify the insurer in writing of the name, address, and telephone number of the qualified rehabilitation consultant chosen.

Subp. 2. **Documentation.** When a change of qualified rehabilitation consultant occurs, the new assigned qualified rehabilitation consultant shall promptly inform the commissioner of the change in assigned qualified rehabilitation consultant by filing the prescribed form with the commissioner. The prescribed form shall contain identifying information on the employee, employer, insurer, the new assigned qualified rehabilitation consultant, and the former assigned qualified rehabilitation consultant.

Subp. 3. **Dispute resolution.** After exhaustion of the employee's choices in subpart 1, any party may propose a change of assigned qualified rehabilitation consultant. The parties may at any time agree to a change and select a new qualified rehabilitation consultant. If a dispute about change or selection arises, and the parties are not able to resolve that dispute, the dispute shall be resolved by a determination of the commissioner or a compensation judge as provided in Minnesota Statutes, chapter 176, and part 5220.0950. If the employee's choice has not been exhausted as outlined in subpart 1, the determination shall be made according to the employee's choice. If the employee's choice has been exhausted or if the request to change qualified rehabilitation consultants is filed more than 60 days after the rehabilitation plan was filed, the determination shall be made according to the best interest of the parties. The best interest of the parties shall be determined based on the goals of rehabilitation as provided in Minnesota Statutes, section 176.102, subdivision 1, paragraph (b). If the commissioner or compensation judge determines the qualified rehabilitation consultant's work to be unsatisfactory or the qualified rehabilitation consultant withdraws from the case, and the parties are unable to agree on the selection of a qualified rehabilitation consultant, the commissioner or compensation judge shall assign a new qualified rehabilitation consultant.

Subp. 4. **Employee residing or moving out of Minnesota.** Qualified employees who reside outside of Minnesota or who move out of Minnesota may receive services from a rehabilitation professional qualified under that jurisdiction's workers' compensation law to provide rehabilitation services. This subpart does not require the assignment of another rehabilitation professional if the services can be reasonably furnished by a rehabilitation provider registered in Minnesota. When services are provided outside of Minnesota by a rehabilitation professional qualified in that jurisdiction, an assigned qualified rehabilitation consultant in Minnesota shall monitor the provision of services.

Subp. 5. **Change of consultant not an exercise of choice by employee.** A change of assigned qualified rehabilitation consultant necessitated by circumstances outside the control of the employee is not a choice by the employee and does not exhaust the employee's right to choice. Such circumstances include, but are not limited to, the assigned qualified rehabilitation consultant leaving practice or the extended illness of the assigned qualified rehabilitation consultant.

If the assigned qualified rehabilitation consultant leaves a firm to work for another firm or to start a solo practice, the employee may either choose to continue with the assigned qualified

rehabilitation consultant or remain with the qualified rehabilitation consultant's former firm. Neither option will exhaust the employee's right to choice of a qualified rehabilitation consultant pursuant to subpart 1.

Disputes about changes shall be resolved according to subpart 3.

Subp. 6. **Transfer of information.** The former qualified rehabilitation consultant shall transfer pertinent documents to the new assigned qualified rehabilitation consultant pursuant to part 5220.1802, subpart 4a.

5220.0750 RETRAINING.

Subpart 1. **Purpose.** The purpose of retraining is to return the employee to suitable gainful employment through a formal course of study. Retraining is to be given equal consideration with other rehabilitation services, and proposed for approval if other considered services are not likely to lead to suitable gainful employment.

Subp. 2. **Plan submission.** A proposed retraining plan shall be filed on a form prescribed by the commissioner and must contain substantially the following:

A. identifying information on the employee, employer, insurer, and assigned qualified rehabilitation consultant;

B. the retraining goal;

C. information about the formal course of study required by the retraining plan, including:

(1) the name of the school;

(2) titles of classes;

(3) the course's length in weeks, listing beginning and ending dates of attendance;

(4) an itemized cost of tuition, books, and other necessary school charges;

(5) mileage costs; and

(6) other required costs;

D. starting and completion dates;

E. preinjury job title and economic status, including, but not limited to preinjury wage;

F. a narrative rationale describing the reasons why retraining is proposed, including a summary comparative analysis of other rehabilitation alternatives and information documenting the likelihood that the proposed retraining plan will result in the employee's return to suitable gainful employment;

G. dated signatures of the employee, insurer, and assigned qualified rehabilitation consultant signifying an agreement to the retraining plan; and

H. an attached copy of the published course syllabus, physical requirements of the work for which the retraining will prepare the employee, medical documentation that the proposed training and field of work is within the employee's physical restrictions, reports of all vocational testing or evaluation, and a recent labor market survey of the field for which the training is proposed.

Subp. 3. **Amendment.** The commissioner or a compensation judge may amend a retraining plan at the request of an employee if the employee believes that the occupation the employee is being trained for is not suitable, and if the employee's request is made within 90 days from the commencement date of the retraining. No more than one change shall be permitted for this reason. Other amendments may be requested by the parties according to part 5220.0510.

Subp. 4. [Repealed, 17 SR 3361]

Subp. 5. **Retraining plan approval.** When the retraining plan is submitted to the commissioner, the commissioner shall review the proposed retraining plan within 30 days of its submission and notify the parties of plan approval or denial. The commissioner may also request additional information from the parties, confer with the parties, recommend modifications and otherwise seek agreement about the plan. The commissioner may make a determination or pursue resolution of questions regarding the plan consistent with part 5220.0950, subpart 3.

Subp. 6. **Disputes.** In the case of a dispute about a retraining plan, any party may file a rehabilitation request for assistance according to Minnesota Statutes, chapter 176 or part 5220.0950.

5220.0850 ON-THE-JOB TRAINING.

Subpart 1. **Objective of on-the-job training.** The primary objective of on-the-job training as defined in part 5220.0100, subpart 21, is suitable gainful employment with the on-the-job training employer that is likely to restore the employee as close as possible to preinjury economic status. A proposed on-the-job training plan may be rejected by the commissioner or compensation judge if the plan is unlikely to achieve this primary objective. However, documentation that the training will increase employability with other employers may be a basis for approval.

Subp. 2. **Plan submission.** A proposed on-the-job training plan shall be filed on a form prescribed by the commissioner and must contain the following:

A. identifying information on the employee, employer, insurer, and assigned qualified rehabilitation consultant;

- B. information identifying the on-the-job training employer;
- C. the title of the job for which the employee is being trained and its Dictionary of Occupational Titles code number;
- D. a job analysis of the training position;
- E. information documenting that the training position is within the employee's physical restrictions;
- F. a description of the skills the employee will acquire as a result of the training;
- G. training commencement and completion dates;
- H. the intervals at which the progress of the on-the-job training plan will be assessed;
- I. information indicating whether the on-the-job training employer will provide employment to the employee upon completion of the training;
- J. the employee's wage during and after training;
- K. supplies and tools required by the plan and their cost;
- L. weekly workers' compensation benefits to be paid by the insurer during the training;
- M. dated signatures of the employee, insurer, assigned qualified rehabilitation consultant, on-the-job training employer, and training instructor signifying agreement with the plan; and
- N. a narrative rationale describing the reasons why on-the-job training is proposed, including information that demonstrates that the on-the-job training will result in the employee's return to a job that produces, as close as possible, the preinjury economic status.

Subp. 3. **Duration of plan.** A plan for on-the-job training that will last longer than six months may be justified by information that a plan that exceeds six months is needed to master required skills, or that training that exceeds six months will significantly increase the likelihood that the employee will recover preinjury economic status.

Subp. 4. **On-the-job training plan approval.** When an on-the-job training plan is submitted to the commissioner, the commissioner shall review the proposed plan within 30 days of its submission and notify the parties of plan approval or rejection. The plan approval process shall be subject to the procedures under part 5220.0410, subpart 6. The commissioner may make a determination or pursue resolution of questions regarding the plan consistent with part 5220.0950, subpart 3.

Subp. 5. **Disputes.** In the case of a dispute about an on-the-job training plan, any party may request resolution according to Minnesota Statutes, chapter 176 and part 5220.0950.

5220.0950 DISPUTES.

Subpart 1. **Rehabilitation request for assistance.**

A. Where issues exist about an employee's entitlement to rehabilitation services, the appropriateness of a proposed plan, or any other dispute about rehabilitation, the employer, employee, or insurer may request assistance to resolve the disputed issues by filing a rehabilitation request on a form prescribed by the commissioner. The form with all its attachments must be served on all parties and be filed with the commissioner. The form must contain the following:

- (1) identifying information on the employee, employer, insurer, and assigned qualified rehabilitation consultant;
- (2) a statement of the rehabilitation issues to be resolved;
- (3) a statement of what the requester wants and supporting evidence and arguments;
- (4) a list showing that all parties were served and the date they were served;
- (5) the requester's name and signature; and
- (6) instructions for completion of the form.

B. The assigned qualified rehabilitation consultant may file with the commissioner and serve on all parties a rehabilitation request to resolve issues involving elements of a rehabilitation plan or fees for rehabilitation services.

C. Except where the insurer has denied ongoing liability for the injury in writing, the assigned qualified rehabilitation consultant shall file with the commissioner and serve on all parties a rehabilitation request for assistance to determine the direction of an approved rehabilitation plan if no party has done so and the qualified rehabilitation consultant is unable to plan or implement rehabilitation services.

Subp. 1a. **Rehabilitation response.** If the employee or the qualified rehabilitation consultant has filed a rehabilitation request, the insurer must file a rehabilitation response form with the division and serve copies on the other parties no later than ten days after service of the rehabilitation request form. When an administrative conference is not scheduled, the insurer's failure to file a timely rehabilitation response may result in a determination based solely on the written submissions of the requester.

Subp. 2. **Action by commissioner.** If the commissioner refers a dispute to a compensation judge or, based on the written submission of the parties, determines the dispute or schedules an administrative conference to determine the dispute, all parties shall be served with written notice of that action.

The commissioner may require the parties to meet and confer informally prior to a scheduled administrative conference if the facts and issues involved show that a meeting would facilitate resolution of the dispute.

When the commissioner or compensation judge makes a determination on the issues in dispute, copies shall be served on the parties. No determination will be made by the commissioner under Minnesota Statutes, section 176.106, with respect to rehabilitation entitlement if primary liability has been denied.

Subp. 3. **Commissioner's initiation of dispute resolution.** If the commissioner independently determines that issues exist regarding an employee's entitlement to rehabilitation or the appropriateness of a proposed plan, or otherwise initiates proceedings before a compensation judge or through an administrative conference, written notice of the issues in dispute shall be served upon the parties.

Subp. 4. **Formal hearing.** A party that disagrees with a decision of the commissioner under Minnesota Statutes, section 176.106, may request a formal hearing pursuant to part 5220.1010. The request for hearing will be referred to the Office of Administrative Hearings pursuant to Minnesota Statutes, section 176.106, subdivision 7.

An entity may be approved to provide rehabilitation services either as a registered rehabilitation vendor or as a qualified rehabilitation consultant firm. An individual may be approved to provide rehabilitation services as a qualified rehabilitation consultant intern or, in cases of completion of internship and registration renewal, as a qualified rehabilitation consultant.

A qualified rehabilitation consultant and a qualified rehabilitation consultant intern are approved for the purpose of developing, administering, and implementing a rehabilitation plan, including the provision of rehabilitation services, in accordance with Minnesota Statutes, chapter 176 and the rules adopted to administer it.

A qualified rehabilitation consultant firm is approved for the purpose of employing qualified rehabilitation consultants, qualified rehabilitation consultant interns, and other professional staff as provided in part 5220.1600.

A registered rehabilitation vendor is approved for the purpose of providing the workers' compensation rehabilitation services of job development and job placement under an approved rehabilitation plan.

The roles of vendor and consultant are distinct and, therefore, a registered rehabilitation vendor or its employee may not be, or function as, a qualified rehabilitation consultant firm, a qualified rehabilitation consultant, or a qualified rehabilitation consultant intern. Nor may a qualified rehabilitation consultant firm, qualified rehabilitation consultant, or qualified rehabilitation consultant intern be or function as a registered rehabilitation vendor or as the agent of a vendor.

The distinction of roles between registered rehabilitation vendor and qualified rehabilitation consultant means the following: A registered rehabilitation vendor and its employees may provide job development and job placement services under an approved rehabilitation plan for any qualified employee; a qualified rehabilitation consultant firm and its employees may provide job development and job placement services only in cases for which a qualified rehabilitation consultant or qualified rehabilitation consultant intern employed by that firm is the assigned qualified rehabilitation consultant.

There shall be no ownership or financial relationships of any kind between any registered rehabilitation vendor and qualified rehabilitation consultant firm, qualified rehabilitation consultant, or qualified rehabilitation consultant intern.

5220.1400 QUALIFYING CRITERIA FOR REHABILITATION CONSULTANT.

Subpart 1. **Requirement.** To be registered as a qualified rehabilitation consultant, the requirements of subparts 2 to 5 must be met.

Subp. 2. **Certification.** A qualified rehabilitation consultant shall possess at least one of the following credentials:

A. certification by the Commission on Rehabilitation Counselor Certification as a certified rehabilitation counselor; or

B. certification by the Certification of Disability Management Specialists Commission as a certified disability management specialist.

A qualified rehabilitation consultant or qualified rehabilitation consultant intern registered with the department before July 1, 2005, may either continue to meet the certification requirements in effect at the time of initial registration or meet the certification requirements in items A and B.

Subp. 3. **Qualified rehabilitation consultant intern.** The purpose of internship is to provide a supportive, structured period of professional supervision and case review following registration. An individual who meets the requirements of subpart 2 may be registered as a qualified rehabilitation consultant intern. An individual who is not certified under subpart 2 at the time of application may be registered as a qualified rehabilitation consultant intern by documenting how the certification will be obtained within three years from the date of registration. A qualified rehabilitation consultant intern must complete an introductory training session sponsored by the department within 12 months of approval of registration. A qualified rehabilitation consultant intern shall not be a solo practitioner.

The failure to comply with the standards of performance and professional conduct contained in parts 5220.1800 and 5220.1801 or the violation of any of the provisions of Minnesota Statutes,

chapter 176, parts 5220.0100 to 5220.1900, or orders issued under the statutes or rules constitute grounds for denial of registration as a qualified rehabilitation consultant or qualified rehabilitation consultant intern under Minnesota Statutes, section 176.102, subdivision 3, discipline under Minnesota Statutes, section 176.102, subdivision 3a, or delay of completion of internship. The intern may appeal the decision of the commissioner denying registration as provided in part 5220.1500, subpart 2.

In cases where an intern has been supervised by a qualified rehabilitation consultant who leaves the organization with which the intern has been employed and no other qualified rehabilitation consultant is available to supervise the intern, the intern may, with the prior written approval of the commissioner, sign all required documents in the capacity of a qualified rehabilitation consultant for a period of time deemed appropriate by the commissioner. Past performance and overall experience shall be taken into consideration for this approval.

Subp. 3a. **Commissioner's approval for supervised internship.** When an individual applies for registration as a qualified rehabilitation consultant intern, the applicant's employer shall provide the commissioner with the name of the qualified rehabilitation consultant under whose direct supervision the intern will work, and shall submit a plan of supervision addressing the following items: the evaluation methods used; frequency of supervisory reviews and communication; procedures for dealing with administrative conferences or hearings and file reviews; procedures for review of the rules of practice; and procedures for review of progress toward obtaining certification, including the date the intern will be eligible to take the certification examination. "Direct supervision" means that the supervisor is directly responsible for the rehabilitation work on any case, and for monitoring progress toward the certification required by subpart 2. To provide direct supervision, an intern supervisor must have at least 52 weeks of full-time experience as a qualified rehabilitation consultant not including any service provided while still a qualified rehabilitation consultant intern. The intern supervisor need not maintain an office at the same location as the intern. The supervisor shall cosign all written work being done by the intern. There shall be no billing by the supervisor for these supervisory duties. The supervisor shall attend all administrative conferences with the intern and shall arrange for training as required by the commissioner. The intern shall be designated as an "intern" on all documents bearing the name of the intern.

Subp. 4. **Completion of internship.** The intern must work at least one year full time as an intern in the rehabilitation of injured workers under Minnesota Statutes, section 176.102. Evidence of experience shall include documentation of a history of employment in a position of vocational rehabilitation. For purposes of this subpart, "full-time employment" is consistent with the employment experience requirement of the certifying body chosen by the qualified rehabilitation consultant intern. Where there is no definition of full-time employment by the certifying body chosen by the qualified rehabilitation consultant intern, full-time employment means a minimum of 37 hours per week during a 52-week period. Any part-time employment will be prorated based on this definition. The burden of proof of experience shall be on the applicant.

The intern may make application for completion of internship when the minimum requirements in subparts 2 to 5 have been met.

A qualified rehabilitation consultant intern must obtain certification by one of the entities specified in subpart 2 within three years of approval of registration as an intern by the commissioner. Failure to obtain certification within three years will result in a decision and order denying registration renewal.

The commissioner's action on the intern's application for completion of internship shall be based in part on the report of the qualified rehabilitation consultant intern supervisor about the competence of the intern to practice independently. The supervisor shall attach examples of the following forms and reports completed by the intern as documentation of the intern's understanding of rehabilitation procedures and ability to communicate in writing: rehabilitation consultation report, rehabilitation plan, plan progress report, notice of rehabilitation plan closure, initial evaluation narrative report, labor market analysis, and closure report. At least one of the narrative reports must show understanding of vocational testing and transferable skills analysis.

The commissioner shall also consider information about the intern's professional competence including that obtained in the course of any investigation about professional conduct, and on any substantiated complaints regarding professional conduct. "Substantiated complaints" for purposes of denial of completion of internship means there has been a stipulation or order of discipline.

Subp. 5. **General criteria.** All persons who are qualified rehabilitation consultants shall be self-employed or employed by a single organization that is approved for the employment of qualified rehabilitation consultants as a qualified rehabilitation consultant firm or an employer or insurer. Qualified rehabilitation consultants must be available to clients, and for administrative conferences or hearings during normal business hours. A qualified rehabilitation consultant employed by an employer or insurer that is not registered as a qualified rehabilitation consultant firm is permitted to provide rehabilitation consultation and services only for the claims being handled by the entity by whom the consultant is employed. A qualified rehabilitation consultant shall notify the department immediately upon changing employment. Notification shall include the name of the former place of employment, the name, address, and telephone number of the new place of employment and the effective date of new employment.

Registration shall require Minnesota residency. The commissioner may grant an exception for persons who reside no more than 100 miles by road from the Minnesota border. Any such qualified rehabilitation consultant agrees, as an additional condition of registration, to appear at any administrative conference or hearing when requested, in the same manner as if subpoenaed. A qualified rehabilitation consultant shall notify the department immediately upon any change in residency to or from Minnesota.

5220.1802 COMMUNICATIONS.

Subpart 1. **Legibility and content of required reports.** All required rehabilitation reports and required progress records prepared by a rehabilitation provider shall be legible and show the employee's name, department file number, and date of injury.

Subp. 2. **Submission of reports.** All required rehabilitation reports shall be submitted on department forms prescribed by the commissioner.

The qualified rehabilitation consultant may not charge for the initial copy or photocopy of required rehabilitation reports or required progress records. If additional copies are requested by any party, the qualified rehabilitation consultant is entitled to reasonable compensation for cost from the requesting party. A dispute about cost is not a basis for a provider to withhold required reports or records when requested.

The requesting party shall pay for reasonable costs incurred by a rehabilitation provider in creating a report not required by rule or requested by the commissioner or compensation judge.

Subp. 4. **Registered rehabilitation vendor reporting.** At least each 30 days, the registered rehabilitation vendor shall submit all required progress records, required rehabilitation reports and cost information on an employee's case directly to the assigned qualified rehabilitation consultant with copies to the employee, the insurer, and their attorneys, and also to the employer upon the employer's request.

Subp. 4a. **Transfer of information.** Whenever there is a change of assigned qualified rehabilitation consultants or consultant firms, the former qualified rehabilitation consultant firm shall cooperate in transferring to the new assigned qualified rehabilitation consultant or qualified rehabilitation consultant firm all data, required rehabilitation reports, required progress records, and incurred rehabilitation cost information along with other relevant information within 15 days from the receipt of notice that a new consultant is assigned under part 5220.0710 and Minnesota Statutes, section 176.102. The former qualified rehabilitation consultant firm may not charge a party for the transfer of information to the new assigned qualified rehabilitation consultant or qualified consultant firm.

Subp. 5. **Data privacy.** A rehabilitation provider must comply with Minnesota Statutes, chapters 175 and 176, the rules adopted under those chapters, Code of Federal Regulations, title 42, part 2, Minnesota Statutes, sections 129A.05; 144.291 to 144.298; 144.651; 147.091; 181.954; 181.960; 268A.05; 363A.20, subdivision 8; and 595.02, as applicable, and all other applicable data privacy laws.

A rehabilitation provider shall not engage in communications with health care providers about an employee without the written consent of the employee.

A rehabilitation provider shall safeguard and maintain under conditions of security all information obtained in the course of providing rehabilitation consultation and services and shall limit records access to those parties for whom access is prescribed by Minnesota Statutes, section 176.102, subdivision 7, this chapter, or other applicable law.

When permitted by data privacy laws, disclosure of information obtained in the course of providing rehabilitation services is restricted to what is necessary, verified, and relevant to implementation of the rehabilitation plan.

A rehabilitation provider shall request only the information and data that will assist the parties in developing and carrying out the rehabilitation plan.

Subp. 10. **Providing records.** The rehabilitation provider assigned to a case shall maintain all required progress records and copies of all required rehabilitation reports regarding a case and shall make these records available upon request to the commissioner. The qualified rehabilitation consultant shall file additional progress summaries, if requested by the commissioner.

The assigned qualified rehabilitation consultant shall periodically report progress and case activity in writing to the parties at reasonable intervals or as requested by the parties.

All rehabilitation providers shall abide by the following rules concerning a provider's business practices:

- A. Rehabilitation providers shall adhere to all federal, state, and local laws.
- B. Rehabilitation providers shall not misrepresent themselves, their duties, or credentials. Rehabilitation providers must not promise or offer services or results they cannot deliver or have reason to believe they cannot provide. Advertising must be factually accurate and must avoid exaggerating claims as to costs, results, and endorsements by other parties.
- C. A rehabilitation provider shall not solicit referrals directly or indirectly by offering money or gifts. De minimis gifts are not considered the offering of money or gifts. De minimis gifts are those that have a fair market value of less than \$25.
- D. A rehabilitation provider shall not request or authorize a rehabilitation client to solicit other business on behalf of the rehabilitation provider.
- E. A rehabilitation provider shall advise the referral source and payer of its fees and reporting procedures in advance of rendering any services and shall also furnish, upon request, detailed and accurate time records regarding any bills in question.

Rehabilitation providers shall fully disclose to a payer the basis for computing and prorating a fee so that the payer may determine the reasonableness of the fee charged. When more than one employee is served during the same time period, the rehabilitation provider shall prorate the fee.

F. Any fee arrangement which prevents or compromises individualized assessment and services for each employee is grounds for discipline. This may include any fee arrangement which provides employees with standardized services whether or not the services are necessary.

G. A rehabilitation provider shall not incur profit, split fees, or have an ownership interest with another rehabilitation provider outside of the firm that employs the provider.

H. Qualified rehabilitation consultants shall not incur profit, split fees, or have an ownership interest with health care providers. "Health care providers" means those defined in Minnesota Statutes, section 176.011, subdivision 24.

5220.1806 DISCIPLINARY ACTION.

Subpart 1. **Discipline.** A rehabilitation provider is subject to disciplinary action, including a fine as provided by statute, suspension, and revocation of registration. Failure to comply with the standards of performance and professional conduct contained in parts 5220.1800 and 5220.1801 or the violation of any of the provisions of Minnesota Statutes, chapter 176, parts 5220.0100 to 5220.1900, or orders issued under the statutes or rules constitute grounds for discipline.

Subp. 2. **Complaints.** The commissioner shall review the activities of rehabilitation providers. Complaints about activities or services of rehabilitation providers relating to noncompliance with laws, rules, or orders shall be made in writing to the commissioner. A complaint may be submitted by any party who becomes aware of a violation, including designees of the commissioner, administrative law judges, and presiding officials at judicial proceedings.

If a rehabilitation provider fails to comply with the standards of performance and professional conduct contained in parts 5220.1800 and 5220.1801 or any of the provisions of Minnesota Statutes, chapter 176, parts 5220.0100 to 5220.1900, or orders issued under the statutes or rules, a rehabilitation provider having knowledge of the violation must so advise the commissioner.

Subp. 3. **Review and investigation.** The commissioner shall investigate all complaints to determine whether there has been a violation of the standards of performance and professional conduct contained in parts 5220.1800 and 5220.1801 or any of the provisions of Minnesota Statutes, chapter 176, parts 5220.0100 to 5220.1900, or orders issued under the statutes or rules. If the matter is outside the jurisdiction of the commissioner, the commissioner may refer the matter to a forum or agency that has jurisdiction.

If an investigation indicates that discipline is warranted, the commissioner shall begin a contested case for disciplinary action under Minnesota Statutes, section 176.102, subdivision 3a, and the Minnesota Administrative Procedure Act. The report of the administrative law judge shall be made to the rehabilitation review panel which shall make the determination on disciplinary action.

If the commissioner determines that discipline is not warranted, but if the facts and issues involved warrant instruction of the provider, the commissioner shall issue the instruction in writing. The commissioner shall notify the complaining party of the disposition of the case.

Subp. 4. **Cooperation with disciplinary proceedings.** A rehabilitation provider who is the subject of a complaint investigated by the commissioner under Minnesota Statutes, section 176.102, subdivisions 3 and 3a, shall cooperate fully with the investigation. Cooperation shall include responding fully and promptly to any questions raised by the commissioner relating to the subject of the investigation, and providing copies of records, reports, logs, data, and cost information as requested by the commissioner to assist in the investigation. Cooperation shall also include attending, in person, a meeting scheduled by the commissioner for the purposes in subpart 5.

Subp. 5. **In-person meeting.** When conferring with the parties to a complaint is deemed appropriate for clarification or settlement of issues, the commissioner may schedule a meeting. The commissioner may conduct a meeting for the purpose of obtaining information, instructing parties to the complaint, or for the purpose of resolving issues.

Subp. 6. **Resolution written agreement.** The commissioner may enter into stipulated consent agreements regarding discipline with complaint subjects in lieu of initiating contested case proceedings.

The commissioner shall monitor rehabilitation services and costs and shall also conduct periodic audits of costs, services, case outcomes, and compliance with reporting and record keeping requirements. The insurer and the rehabilitation provider shall furnish the commissioner with itemized listings of case services and costs upon request.

Subp. 1a. **Billing.** All rehabilitation provider billings shall be on the vocational rehabilitation invoice prescribed by the commissioner containing substantially the following:

A. identifying information on the insurer, rehabilitation providers, employee and employer, including the insurer file number;

B. information about the cost and duration of the rehabilitation plan, including the date the plan was filed and cost-to-date amounts billed by the qualified rehabilitation consultant firm, job placement vendor, and previous qualified rehabilitation consultant firms and job placement vendors;

C. a listing of the services billed, including date of service, service description, service category code, time units, mileage, and expenses. Service category codes are available from the department upon request; and

Sample vocational rehabilitation invoice forms are available from the department upon request. Billing information on job placement costs shall be provided to the qualified rehabilitation consultant who shall report those costs on a monthly basis on the vocational rehabilitation invoice. The job placement vendor shall bill the insurer directly.

Subp. 1b. **Fees.** Hourly fees for rehabilitation services shall not exceed the maximum rates in subparts 1c, 1d, 1e, and 1f, except that the maximum rates may be increased annually beginning October 1, 1993, but any annual increase is limited by the annual adjustment under Minnesota Statutes, section 176.645.

Subp. 1c. **Consultants.** When billing on an hourly basis for the services of qualified rehabilitation consultants, a qualified rehabilitation consultant or qualified rehabilitation consultant firm shall bill at an hourly rate not to exceed \$65 per hour as adjusted under subpart 1b. A rehabilitation provider shall bill one-half of the hourly rate for wait time, and three-fourths of the hourly rate for travel time. Travel time shall be prorated as outlined in part 5220.1805, item E.

Subp. 1d. **Interns.** When billing on an hourly basis, the upper billing limit for qualified rehabilitation consultant interns shall be \$10 per hour less than the hourly rate charged for services provided by qualified rehabilitation consultants employed by that qualified rehabilitation consultant firm.

Subp. 1e. **Job development and placement services.** Whether provided by registered rehabilitation vendors or qualified rehabilitation consultant firms, job development and job placement services, when billed on an hourly basis, shall be billed at an hourly rate not to exceed \$50 per hour as adjusted under subpart 1b.

Subp. 1f. **Fee reduction.** Billing for services by the qualified rehabilitation consultant or qualified rehabilitation consultant intern based upon an hourly rate shall be reduced by \$10 per hour when:

A. the duration of the rehabilitation case exceeds 39 weeks from the date of the first in-person visit between an assigned qualified rehabilitation consultant and the employee; or

B. the costs of rehabilitation services billed by the qualified rehabilitation consultant have exceeded \$3,500, whichever comes first. Payment exceeding that permitted by this rule is prohibited.

Subp. 1g. **Payment.** As soon as reasonably possible, and no later than 30 calendar days after receiving the rehabilitation provider's bill for rehabilitation services, the employer or insurer shall pay the charge or any portion of the charge that is not denied, deny all or a part of the charge stating the specific service charge and the reason it is excessive or unreasonable, or specify the additional data needed, with written notification to the rehabilitation provider.

Subp. 2. **Reasonable and necessary services.** A rehabilitation provider shall bill for only those necessary and reasonable services which are rendered in accordance with Minnesota Statutes, section 176.102 and the rules adopted to administer that section. A dispute about reasonable and necessary services and costs shall be determined by the commissioner or a compensation judge. The commissioner's or a compensation judge's review must include all the following factors:

A. the employee's unique disabilities and assets in relation to the goals, objectives, and timetable of the rehabilitation plan;

B. the type of rehabilitation services provided and the actual amount of time and expense incurred in providing the service;

C. an evaluation of whether services provided were unnecessary, duplicated other services, were available at no charge to public, or were excessive relative to the actual needs of the employee; and

D. an evaluation of whether services rendered were expressly called for by the employee's rehabilitation plan.

Subp. 3. [Repealed, 16 SR 2520]

Subp. 5. [Repealed, 16 SR 2520]

Subp. 6. [Repealed, 16 SR 2520]

Subp. 6a. **Billing limits on qualified rehabilitation consultant services.** When a rehabilitation provider other than a qualified rehabilitation consultant is providing and billing for job development or job placement services pursuant to an approved rehabilitation plan, the qualified rehabilitation consultant shall limit the qualified rehabilitation consultant's billing to no more than two hours in any 30-calendar-day period. Billing beyond this limit will require specific approval of the parties or a determination by the department or a compensation judge.

Subp. 6b. **Plans; exceptions.** The qualified rehabilitation consultant shall bill no more than eight hours for a rehabilitation consultation as described in Minnesota Statutes, section 176.102, subdivision 4, and part 5220.0100, subpart 26, and the development, preparation, and filing of a rehabilitation plan as described in Minnesota Statutes, section 176.102, subdivision 4, and part 5220.0410. If conditions exist that necessitate traveling over 50 miles to visit the employee, employer, or health care provider, or an unusually difficult medical situation is documentable, billing beyond this limit is allowed upon the express consent of the parties or a determination by the department or compensation judge.

Subp. 7. **Case activities requiring insurer consent for payment.** The rehabilitation provider must obtain the consent of the insurer before billing for the following case activities, however, the presence or absence of consent shall not preclude the commissioner or a compensation judge from determining the reasonable value or necessity of these case activities:

A. when not directed by the plan, phone calls, or visits to health care providers and accompanying employee to appointments or examinations;

B. follow-up activity with employers during job placement services to verify employee applications or applications not arranged by the rehabilitation provider;

J. time spent by a supervisor, another qualified rehabilitation consultant, or support staff in addition to the assigned qualified rehabilitation consultant;

K. job placement activities beyond 90 days from the start of the job placement effort without a formal plan review or case planning meeting with the employee and insurer;

L. wait time for a visit without a prearranged meeting or early arrival for a prearranged appointment;

M. services that duplicate services already provided;

N. charges beyond the hourly fee for testimony at a judicial hearing when the qualified rehabilitation consultant or registered rehabilitation vendor has provided rehabilitation services under the plan;

O. travel costs beyond those needed to develop or complete a plan; or

P. services after a request to suspend or terminate the rehabilitation plan has been filed.

Subp. 8. **Disputes.** In the event of a dispute about the reasonableness and necessity or cost of a rehabilitation service, the insurer or a rehabilitation provider may make a request for a determination by the commissioner or a compensation judge of reasonable costs and necessity of services. Such a request may be made by filing a request for assistance according to Minnesota Statutes, chapter 176 or part 5220.0950.

Subp. 9. **Collection prohibited.** No rehabilitation provider shall attempt to collect a fee or reimbursement for an unnecessary or unreasonable service from any party, including the employee, another insurer, the special compensation fund, or any government program. D. An accepted electronic first report of injury that is transmitted to the division at or before 4:30 p.m. central time on a state business day is considered filed on that day. 5220.2540 PAYMENT OF TEMPORARY TOTAL, TEMPORARY PARTIAL, OR PERMANENT TOTAL COMPENSATION.

Subpart 1. **Time of payment.** Payment of compensation must be commenced within 14 days of:

A. notice to or knowledge by the employer of an injury compensable under the act;

B. notice to or knowledge by the employer of a new period of lost time due to a previous work-related injury unless an extension is requested under Minnesota Statutes, section 176.221, subdivision 1; or

C. an order by the division, compensation judge, or Workers' Compensation Court of Appeals requiring payment of benefits which is not appealed. A party's consideration of an appeal does not excuse payment beyond the 14-day time limit. When an appeal is not filed, payments made after the 14th day are subject to penalties and interest under parts 5220.2760 and 5220.2780.

Once temporary total or permanent total disability benefits have been commenced, they must continue to be paid on a regular basis at the intervals the employee would have received wages from the employer had the employee continued working. Less frequent payments may be arranged by written agreement of the parties. With the initial payment of temporary total or permanent total disability benefits, the insurer must notify the employee in writing of the day of the week that further payments will be made and the frequency with which payments will be made. If the initial payment is a first and final payment, then notification need not be sent.

The same time limits apply to payments of temporary partial disability benefits. If the current wage varies so that wage documentation for calculation of temporary partial disability benefits is necessary, payment is due ten days following the date the employee or employer sends wage verification to the insurer.

Subp. 2. **Place of payment.** With the exception of payments made subject to part 5220.2560 or other order of a compensation judge or the division, all payments of compensation must be made directly to the employee or dependent at the home address unless the employee or dependent, in writing, authorizes payment to be sent elsewhere. The employee or dependent may authorize payment to be sent to a bank, savings association, or other financial institution by providing the employer or insurer with a written request for redirection of payment, the name and address of the institution, and the account number to which the payments should be credited. The insurer must comply with the request without a specific order from the division. The insurer must file a copy of the request with the division.

Subp. 3. **Notice to division.** The insurer must keep the division advised of all payments of compensation and amounts withheld and amounts paid for attorney fees by the filing of interim status reports each year and upon specific request by the division.

The insurer must also file with the division proof of payment which must indicate the amount of compensation paid and the date when the first payment was made, at each of the following times:

A. when the insurer makes the first payment to the employee following the injury;

B. when payments are reinstated after they have been previously discontinued by a notice of intention to discontinue benefits or an order of the division under part 5220.2640, subpart 7;

C. when monitoring period compensation is commenced under Minnesota Statutes, section 176.101, subdivision 3i; and

D. when payments are commenced by order of the division, a compensation judge, the Workers' Compensation Court of Appeals, or the Minnesota Supreme Court.

Subp. 4. **Penalties.** If payment is not made within the time limits of subpart 1, and no denial of liability has been filed under part 5220.2570, subpart 1, or notice of appeal filed from an order of the division, compensation judge, Workers' Compensation Court of Appeals, or the Minnesota Supreme Court, the division may assess penalties under Minnesota Statutes, sections 176.221 and 176.225, and parts 5220.2770, 5220.2780, and 5220.2790. A penalty for failure to file a notice required under this part may be assessed under part 5220.2830.

Subp. 5. **Removal from the labor market.** An employee who voluntarily removes himself or herself from the labor market is no longer entitled to temporary total, temporary partial, or permanent total disability benefits. A removal from the labor market has occurred when the employee is released to return to work by a health care provider and the employee retires or the employee's opportunities for gainful employment or suitable employment are significantly diminished due to the employee's move to another labor market.

Subp. 6. **Apprentices, temporary partial disability benefits.** An apprentice, upon return to the same apprenticeship program in the same position or a similar position to that held on the date of injury, has not suffered a loss of earning capacity where the wage upon return to the apprenticeship program is the same or greater than the wage on the date of injury. Temporary partial disability benefits are not owing where there is no loss in earning capacity.

Subpart 1. **Time of payment.** Permanent partial disability must be paid at the time specified in Minnesota Statutes, sections 176.021 and 176.101. When permanent partial disability compensation is being paid periodically following the payment of temporary total benefits or following or concurrent with the payment of temporary partial benefits, the payments must be continued without interruption at the same intervals that the temporary benefits were paid. When the employee reaches maximum medical improvement, the insurer must request an initial assessment of any permanent partial disability from the employee's physician.

A. When the extent of permanent partial disability is not disputed, upon receipt of a medical report containing a permanency rating or medical information from which the insurer may determine a rating, the employer or insurer must, within 30 days:

- (1) make a lump sum payment or begin periodic payments to the employee; or
- (2) inform the employee in writing of the disability rating and the time when the permanent partial disability payment will be payable under the statute.

B. When the extent of permanent partial disability is disputed, upon receipt of a medical report containing a permanency rating or medical information from which the insurer may determine a rating, the employer or insurer must, within 30 days:

(1) make a minimum lump sum payment or begin periodic payments based on the minimum undisputed permanent partial disability ascertainable; and

(2) notify the employee in writing that an adverse medical examination has been scheduled and the date, time, and place of the examination. The disability rating must be determined and any remaining permanent partial disability payments made or periodic payment begun, within 120 days of the insurer's receipt of the initial medical report containing a permanency rating; or

C. If permanent partial disability benefits are not currently payable under Minnesota Statutes, section 176.101, inform the employee in writing of the disability rating and the time when the permanent partial disability payment will be payable by statute.

Subp. 2. Notice of benefit payment.

A. For injuries before January 1, 1984, the employer or insurer must, when payment is made, file with the division and serve on the employee an itemized proof of payment indicating the amount of compensation paid and the date of payment together with a copy of the medical report upon which payment is based.

B. For injuries on or after January 1, 1984, when the insurer makes a lump sum payment of permanent partial disability benefits or begins periodic payment, the employer or insurer shall fully complete, serve on the employee, and file with the division a notice of permanent partial disability benefits which must be on a form prescribed by the commissioner, containing substantially the following information:

- (1) information identifying the employee, employer, insurer, and any adjusting company;
- (2) claim numbers or codes;
- (3) the date of the injury;
- (4) an explanation of the amount, type, and time of payment of permanent partial disability benefits, including the legal authority for the rating;
- (5) monitoring period information;
- (6) instructions to the employee concerning any disagreement about the payment;
- (7) information regarding possible future permanent partial disability payments;
- (8) information regarding previous permanent partial disability payments;
- (9) copies of medical reports containing disability ratings or medical information upon which the insurer bases the rating;
- (10) verification by the insurer, including the name and telephone number of the person making the decision to pay benefits; and

(11) the date the notice was served on the employee.

Subp. 3. **Place of payment.** Payment under this part is to be made as provided in part 5220.2540, subpart 2.

Subp. 4. **Penalties.** If benefits are not paid as required under subpart 1 or 2, the division may assess penalties under Minnesota Statutes, sections 176.221 and 176.225, and parts 5220.2750, 5220.2760, and 5220.2790. 5220.2555 RETRAINING COMPENSATION.

An employee who has been approved for retraining under Minnesota Statutes, section 176.102, subdivision 11, may petition the commissioner or a compensation judge for additional compensation, not to exceed 25 percent of the compensation otherwise payable, if the employee will incur a special, unusual, or unique circumstance during the retraining period that would otherwise reduce the likelihood that the retraining plan will be successfully completed. Additional compensation is not warranted under this subpart if the circumstance on which the request is based is compensable as a cost of the rehabilitation plan under Minnesota Statutes, section 176.102, subdivision 9. The commissioner or a compensation judge may order an award of additional compensation and specify the amount to be awarded. When the employee is entitled to additional compensation for retraining, the compensation shall begin on the first day the special, unusual, or unique circumstance of the retraining is present but not before the start of the retraining program, and shall stop at any time the special, unusual, or unique circumstance is no longer present. The commissioner or compensation judge may determine the date of commencement and the date of discontinuance of the additional compensation.

5220.2630 DISCONTINUANCE OF COMPENSATION.

Subpart 1. **Generally.** When an insurer proposes or intends to reduce, suspend, or discontinue an employee's benefits, it shall file one of the following documents described in this part. A form need not be filed when an insurer increases or decreases an employee's periodic temporary partial benefit due to changes in the employee's earnings while employed, provided that a payment continues to be made based on the employee's actual earnings.

Subp. 2. **Petition.** The filing of a petition to discontinue compensation with the division under part 1415.1000 and Minnesota Statutes, section 176.238, subdivision 5, commences a formal action to reduce, suspend, or discontinue compensation. A petition is required to reduce, suspend, or discontinue permanent total benefits if a judicial or administrative order finding permanent total status was previously issued. The division shall refer the matter to the office under Minnesota Statutes, section 176.238.

Subp. 3. Notice of benefit payment.

A. The employer or insurer may make a lump sum or final payment of the benefit indicated by the filing of a notice of benefit payment with the division and service of the notice on the other parties at the time that the payment occurs when the payment represents:

- (2) a final periodic payment of permanent partial disability compensation, impairment compensation, or economic recovery compensation;
- (3) a final payment under an award, order, or stipulation;
- (4) for injuries occurring before August 1, 1975, where the employee is not permanently totally disabled, a final payment of temporary total disability or for injuries occurring before May 28, 1977, a final payment of temporary partial disability based on a statutory maximum number of weekly payments; or
- (5) a final payment of monitoring period compensation.

B. A notice of benefit payment must be fully completed and on the form prescribed by the commissioner, containing substantially the relevant information described in part 5220.2550, subpart 2.

Subp. 4. Notice of intention to discontinue benefits.

A. To discontinue temporary total, temporary partial, or permanent total benefits in situations not specified in subpart 3, the employer or insurer must serve upon the employee and file with the division a notice of intention to discontinue benefits or a petition under subpart 2. The insurer may serve and file a notice of intention to discontinue permanent total benefits under this subpart only where no judicial or administrative decision finding permanent total status was previously issued. The notice of intention to discontinue benefits must be accompanied by a form prescribed by the commissioner with which to request an administrative conference on the proposed discontinuance. The form must contain the employer's name, the date of the injury or disease, and the name, Social Security number or workers' compensation identification number assigned by the department, and address of the employee and a space for the employee to indicate the reason the employee objects to the proposed discontinuance.

(7) information regarding benefits previously paid;

(8) information regarding attorney fees;

(9) the date the notice was served on the employee and the employee's attorney;

(12) copies of relevant medical reports; and

(13) copies of any other relevant documents.

Supporting documents must be attached to all copies of the discontinuance notice when served.

C. The liability of the insurer to make compensation payments continues at least until the notice of intention to discontinue benefits is received by the division and served on the employee and the employee's attorney, except that benefits may be discontinued on the date the employee returned to work and temporary partial benefits may be discontinued as of the date the employee ceased employment. Continuation of benefits following service and filing of a notice of intention to discontinue benefits where the employee has requested an administrative conference is set out in part 1415.3900, subpart 3.

Subp. 5. [Repealed, 18 SR 2546]

Subp. 6. **Penalties.** Where compensation is discontinued, reduced, or suspended in violation of this part, a penalty may be assessed under parts 5220.2720, 5220.2760, and 5220.2790.

Subpart 1. **Evaluation for mediation.** The commissioner may refer, or any party to a workers' compensation matter or dispute may, at any stage of the proceedings, request evaluation of a disputed matter by the mediation unit to determine suitability of the matter for further action by the unit. If the matter is found to be suitable for resolution by the mediation process, the mediation unit will contact the parties or their attorneys, if they are represented, to attempt conciliation or schedule a mediation session.

Subp. 2. **Conciliation.** Conciliation is the resolution of a matter through informal means without conducting a full conference. If the matter is appropriate for conciliation, the mediation unit may conciliate an agreement of the parties.

Subp. 3. **Agreement to mediate.** If conciliation does not occur or is not successful and all parties consent to participate in the mediation process, the unit will schedule a mediation session. The mediation unit will notify the parties of the date, time, and place for the session. An agreement to mediate must be executed by the parties prior to the commencement of mediation.

The mediation resolution need not contain all of the items listed in part 1415.2000, but must include a list of the issues under discussion and agreements reached by the parties. An intervenor is not required to sign the statement if it provides for reimbursement in full to the intervenor.

Subp. 5. **Mediation award.** A designee of the commissioner shall review the mediation resolution as provided by Minnesota Statutes, section 176.521, and shall issue a mediation award if the terms conform with the workers' compensation act. The award and the resolution must be served on the parties by mail within ten days of the conclusion of mediation unless the parties agree to allow a party to draft the mediation resolution. Both documents will be attached to and become part of the judgment roll of the division's file.

Subpart 1. **Basis.** Penalties under Minnesota Statutes, section 176.225, subdivision 1, in an amount up to 30 percent of the total amount of the compensation award shall be assessed by the division on the grounds listed in that section, including:

A. underpaying, delaying payment of, or refusing to pay within 14 days of the filing of an order by the division or a compensation judge, the Workers' Compensation Court of Appeals or the Minnesota Supreme Court unless the order is appealed within the time limits for an appeal. If the payor does not appeal the order, payments made more than 14 days after the order is served and filed are late, however, the division shall not issue a penalty under this part unless payment is made after the 30th day following a final order. A penalty may be issued, however, for a payment after the 14th day and through the 30th day following a settlement award under Minnesota Statutes, section 176.521. Payments made after the 14th day must include interest pursuant to Minnesota Statutes, section 176.221, subdivision 7, or 176.225, subdivision 5, to the payee;

B. delay of payment, underpayment, or refusal to pay permanent partial disability benefits as provided in part 5220.2550; and

C. other violations under Minnesota Statutes, section 176.225, subdivision 1, clause (1), (2), (3), (4), (5), or (6).

This part does not affect the employee's independent right to seek penalties by filing a claim petition under Minnesota Statutes, section 176.271.

Subp. 2. **Amount.** A penalty assessed under this part will be for at least six percent of the compensation owing and shall be assessed as follows:

- A. one to five days late, six percent;
- B. six to 15 days late, 12 percent;
- C. 16 to 30 days late, 18 percent;

Subpart 1. **Basis.** Where payment is not made in a timely manner and no denial of primary liability is filed with the commissioner and served on the employee as provided by Minnesota Statutes, section 176.221, subdivision 1, the division may assess the penalties provided in Minnesota Statutes, section 176.221, subdivisions 3 and 3a.

Subp. 2. **Amount.** The commissioner's designee must use the following procedure to determine the amount of the penalty.

A. The commissioner's designee must complete a delayed payment worksheet containing information identifying the claim and setting forth the time period of late payment.

B. Calculation of the amount of the penalty will be in the following manner:

(1) the 14-day period is first calculated. The period will begin on the next day after either the first day of lost time or day of notice, whichever is latest;

(2) the number of days after the 14-day period until payment is made constitute the days late;

(3) the penalty due for the number of days late is calculated under Minnesota Statutes, section 176.221, subdivision 3.

C. Where an old injury recurs causing disability, an extension under Minnesota Statutes, section 176.221, subdivision 1, is filed, and payment is not made within 30 days, calculation of the amount owing under item B shall be made using a period of 30 days rather than 14 days.

D. Where no compensation has been paid but the insurer has failed to file and serve on the employee a denial of liability within the statutory 14- or 30-day limit on a claim required to be reported to the division, a penalty of up to \$2,000 may be assessed under Minnesota Statutes, section 176.221, subdivision 3a, as follows:

5220.2865 FAILURE TO INSURE; PENALTY.

Subpart 1. **Definitions.** For purposes of this part, the following terms have the meanings given them.

A. "Avoided premium" means the workers' compensation insurance premium computed pursuant to Minnesota Statutes, chapter 79, by multiplying the employer's payroll for the uninsured period by the applicable assigned risk plan workers' compensation insurance rate and adjusted for any applicable experience modification.

B. "Objection" means the written objection filed by an employer with the commissioner pursuant to Minnesota Statutes, section 176.181, subdivision 3.

C. "Order to comply and notice of penalty assessment" means the order to comply and notice of penalty assessment issued by the commissioner and issued to the employer under Minnesota Statutes, section 176.181, subdivision 3.

Subp. 2. **Determination of penalty.** In determining the amount of the administrative penalty for the failure to insure, the commissioner must take into consideration the factors listed in Minnesota

Statutes, section 14.045. The basis for determining the penalty shall be the employer's avoided premium which shall be adjusted by the factors listed in Minnesota Statutes, section 14.045.

A. No uninsured employer shall be assessed an administrative penalty of less than \$200, nor more than \$1,000 per employee per week uninsured.

B. For purposes of this subpart, the ability to pay shall not be considered a factor for adjusting the penalty amount.

Subp. 3. **Business license or permit penalty.** In addition to the assessed administrative penalty, the commissioner shall assess the penalty amount specified in Minnesota Statutes, section 176.182, against the uninsured employer who did not report, or falsely reported, the required information about their workers' compensation insurance coverage to any state or local governmental agency when obtaining or renewing a license or permit to operate a business in Minnesota.

Subp. 4. **Order to comply and penalty assessment.** The commissioner shall, by certified mail, issue to the employer an order to comply and penalty assessment after conducting the investigation authorized by Minnesota Statutes, section 176.181, subdivision 8, paragraph (b).

Subp. 5. **Contents of order.** An order to comply and penalty assessment must describe the alleged violations and reference the statute or rule which the employer has violated. The order to comply and penalty assessment must state that the employer has ten working days to object to the order by filing a written objection with the commissioner and stating in detail its reasons for objecting.

Subp. 6. **Objections.** The objection must contain:

- A. the employer's name and address;
- B. the investigation number; and
- C. a detailed statement of the reasons for objecting.

Subp. 7. **Filing.** The written objection must be filed with the commissioner within ten working days of the date the employer receives the order to comply and penalty assessment. Upon receipt of a timely objection, the commissioner shall attempt to settle informally an agreed upon penalty. If the parties fail to agree, the commissioner shall refer the matter to the Office of Administrative Hearings for an expedited hearing before a compensation judge. An objection may be filed with the commissioner by postage-paid first class mail, personal delivery, or facsimile transmission.

Subp. 8. **Hearing.** The compensation judge shall use the contested case procedures contained in Minnesota Statutes, sections 14.57 to 14.62, in conducting the expedited hearing under Minnesota Statutes, section 176.181, subdivision 3.

5220.2930 DEPENDENT'S BENEFITS.

Subpart 1. Allocation of compensation by judge.

A. A party may petition for an allocation of benefits under Minnesota Statutes, section 176.111, subdivision 10. The petition may contain a proposed allocation. The petition must be served on all parties and filed with the division within one year after the date of death. If a petition for allocation is not filed in a timely manner and the death occurred after June 30, 1981, the allocation will be as provided in subpart 2.

B. A party may object to a proposed allocation by serving on all parties and filing an objection with the division within 20 days after service of the petition. The objection must contain a clear and concise statement of the specific grounds for the objection and must be accompanied by any documentary evidence supporting the objection.

C. A settlement judge shall rule on the petition without a hearing. If a party objects to the judge's decision, the party may request a hearing by filing with the division a written request for hearing within 30 days after the decision was filed. Upon receipt of a timely request for hearing, the matter will be referred to the office for hearing.

Subp. 2. Allocation of compensation in other cases. In all cases where there has been no allocation of benefits by a judge under subpart 1, and the death occurs after June 30, 1981, compensation to which dependents are entitled under Minnesota Statutes, section 176.111, shall be allocated as follows:

A. If the deceased employee leaves a surviving spouse and one dependent child, 84 percent of the compensation due under Minnesota Statutes, section 176.111, shall be paid to the surviving spouse and the remaining 16 percent of the compensation shall be paid for the benefit of the dependent child.

B. If the deceased employee leaves a surviving spouse and two or more dependent children, 75 percent of the compensation due under Minnesota Statutes, section 176.111, shall be paid to the surviving spouse and the remaining 25 percent shall be paid for the benefit of the dependent children.

This allocation shall apply from the date of death until a court-determined allocation is made, if any.

Subp. 3. [Repealed, 18 SR 2546]

Subp. 4. **Factors in allocating.** Factors which may justify a different allocation from that provided in subpart 2 include special circumstances which necessitate greater income to one or more of the dependents and the existence of other adequate means of support, other than workers' compensation benefits, for certain dependents but not for others.

Subp. 5. **Offset for government survivor benefits.** An offset for government survivor benefits is allowed under Minnesota Statutes, section 176.111, subdivision 21, only to the extent that the government survivor benefits, when combined with the weekly workers' compensation benefits, exceed the weekly wage of the deceased employee at the time of death or exceeds the dependents allocated portion of the weekly wage for deaths occurring prior to July 1, 1981. For purposes of this offset, the weekly wage must be increased by the adjustments provided by Minnesota Statutes, section 176.645.

A. Deaths prior to July 1, 1981. If there is a surviving spouse and one or more dependent children in a single household, the offset must be computed twice, once separately for the spouse and once separately for the children, the children being taken as a group. For purposes of this computation, the weekly wage, as adjusted pursuant to Minnesota Statutes, section 176.645, is allocated between the spouse and children in the same proportion as benefits are allocated pursuant to this rule. Mother's and father's insurance benefits under United States Code, title 42, section 402(g), must be allocated to the children.

B. Deaths after June 30, 1981.

(1) Surviving spouse responsible for support of all dependents. If the support of all dependent children is the responsibility of the surviving spouse, the offset shall be computed only once, taking the spouse and dependent children together as one group. All government survivor benefits, including mother's and father's insurance benefits, received by any member of the group shall be lumped together for purposes of computing the offset.

(2) Surviving spouse not responsible for support of all dependents. If support of one or more of the dependent children is not the responsibility of the surviving spouse, the offset shall be computed twice, once for the surviving spouse and the children dependent on the surviving spouse, all taken as a group, and once for the children whose support is not the responsibility of the surviving spouse. For purposes of the offset, the weekly wage, as adjusted under Minnesota Statutes, section 176.645, must be allocated between the spouse and children in the same proportion as benefits are allocated pursuant to this part. Mother's and father's insurance benefits must be allocated to the group comprised of the dependent children for whose benefit the mother's and father's insurance benefits are being paid.

5220.2960 COMMISSIONER INTERIM NOTICES AND ORDERS.

The commissioner may develop and publish commissioner interim notices and orders concerning matters within the authority of the department. Interim notices and orders do not have the force and effect of law, except where specifically authorized by statute, but may be relied upon by the public until revoked or modified to bind the department. The purpose of an interim notice or order is to provide uniform information and guidance to the public concerning department action. An interim notice or order may be relied upon to bind the department until a statute, Appellate Court decision, rule, or subsequent commissioner's notice or order conflicts with the notice or order, until the date stated in the notice or order, or until one year after publication, whichever occurs first. An interim notice or order under this part binds the department only if the published notice or order is clearly identified as an interim notice or order and is given an indexing number.
