If the respondent is not a resident of the state of Minnesota, or if the respondent is a resident of the state of Minnesota but cannot be found therein, the accusation and all accompanying information shall be served upon respondent by registered or certified mail, addressed to the most recent address theretofore

furnished by the respondent to the board, and the same shall be deemed received by respondent five days after having been deposited in the United States mail, postage prepaid, addressed to such address.

You are hereby notified that a hearing will be held before the Minnesota Board of Medical Practice at _____ on _____, _____, at the hour of _____ M., o'clock, upon the charges made in the accusation served upon you. You may be present at the hearing; may be, but need not be, represented by counsel of your own choosing; may present any relevant evidence on your own behalf and will be given full opportunity to cross-examine all witnesses who testify therein. If you fail to appear at the time and place above set forth, such failure will constitute a waiver of your right to a hearing and the Minnesota Board of Medical Practice may proceed upon the accusation with or without a hearing.

The request or notice shall set forth the nature of pending proceedings; the name and address of the witness whose testimony is desired; a showing of the materiality of the testimony; a showing that the witness will be unable to attend; and the board shall, thereupon, forward a request to the witness to appear and testify before an officer named in the request.

Subp. 3. **Disqualification of board member.** Any member of the board shall voluntarily disqualify himself or herself and withdraw from any case in which the member cannot accord a fair and impartial hearing or consideration. Any party may request the disqualification of any board member by filing an affidavit, prior to the taking of evidence at a hearing, stating with particularity the grounds upon which it is claimed that a fair and impartial hearing cannot be accorded. The issue shall be determined by the other members of the board. No board member shall withdraw voluntarily or be subject to disqualification if the disqualification would prevent the existence of a quorum qualified to act in a particular case.

Subp. 4. **Record of hearings.** All proceedings at the hearing shall be reported in writing, and the board shall prepare an official record, which shall include testimony and exhibits in each contested case, but it shall not be necessary to transcribe the record unless requested for purposes of rehearing or court review.

If the respondent does not testify in the respondent's own behalf, she or he may be called and examined as if under cross-examination.

Subp. 3. **Admissible evidence.** The board may admit and give probative effect to relevant evidence which possesses probative value and shall not be bound by the technical rules relating to evidence and witnesses; provided, however, that the board shall give effect to the rules of privilege recognized by law. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. All evidence including records and documents, except tax returns and tax reports, in the possession of the board of which it desires to avail itself shall be offered and made a part of the record in the case. Documentary evidence may be received in the form of copies or excerpts, or by incorporation by reference.

Subp. 2. **Exceptions and argument before the board.** Whenever, in a contested case, a member of the board who has not participated in the hearing votes in the decision of the case, a final decision, if adverse to the respondent, shall not be made until a proposed decision, including the statement of reasons therefor, has been served on the respondent, and opportunity has been afforded to file exceptions and present argument to all of the members of the board who are to render the final decision.

Subp. 3. **Respondent's argument and evidence.** The respondent shall have the opportunity to present either oral or written argument and to present additional newly discovered evidence after the close of the record but prior to final decision.

The findings shall consist of a statement of the conclusions upon each contested issue of fact necessary to the decision. Parties to the proceedings shall be notified of the decision and order in person or by mail.
