

6105.1630 RECREATION MANAGEMENT IN GENERAL.

Subpart 1. **Policy.** It is the intent of these parts to manage recreation to provide for the orderly use of public lands and waters within the scenic and recreational river land use districts. The development and maintenance of selected land- and water-oriented recreational facilities will help protect the rights of private landowners, ensure quietude, prohibit trespassing, and maintain the essential quality of wild and scenic river land use districts, as provided for in part 6105.0210, subpart 1.

Subp. 2. **Penalty.** Part 6105.0210, subpart 2 shall be amended to impose the current state penalty for a misdemeanor.
