

6135.1600 RELATIONSHIP TO OTHER LAWS.

There are other Minnesota and federal laws and rules and regulations concerned with utility crossings and the environment. In case of conflict with other environmental regulations, the parts included herein will be subordinated to any law, rule, or regulation which is stricter in its protection of the environment. Other related environmental laws and rules and regulations include but are not limited to those associated with:

- A. federal and state wild, scenic, and recreational rivers;
- B. the Minnesota Environmental Protection Act; and
- C. natural and scientific areas.
