Subp. 29c. **Moose Zone 36.** Moose Zone 36 consists of that portion of the state lying within the following described boundary:

Beginning at the intersection of the United States-Canada international border and the westernmost point of Loon Lake; thence following said border in a northerly and easterly direction to Lower Basswood Falls; thence along the southerly shoreline of the Basswood River to the mouth of the Horse River; thence southwesterly along the Horse River to Horse Lake; thence along the easterly and southerly shore of Horse Lake to the portages to Fourtown Lake; thence along the portages to Fourtown Lake; thence along the easterly, southerly, and westerly shorelines of Fourtown Lake to the portage to Boot Lake; thence along the portage to Boot Lake; thence along the southerly and westerly shores of Boot Lake to the portage to Fairy Lake; thence along the portage to Fairy Lake; thence along the westerly shoreline of Fairy Lake to the portage to Gun

Lake; thence along the portage to Gun Lake; thence along the westerly shoreline of Gun Lake to the portage to Gull Lake; thence along the portage to Gull Lake; thence along the northerly shoreline of Gull Lake to the portage to Mud Hole Lake; thence along the portage to Mud Hole Lake; thence through Mud Hole Lake to the portage to Thunder Lake; thence along the portage to Thunder Lake; thence along the westerly shoreline of Thunder Lake to the portage to Beartrap Lake; thence along the portage to Beartrap Lake; thence along the southerly shore of Beartrap Lake to the Beartrap River; thence northerly along the Beartrap River to the portage to Sunday Lake; thence along the portage to Sunday Lake; thence along the westerly shoreline of Sunday Lake to the Beartrap River; thence westerly along the Beartrap River to its confluence with Sterling Creek; thence westerly along Sterling Creek to Sterling Lake; thence along the southerly shoreline of Sterling Lake to the portage to Bibon Lake; thence along the portage to Bibon Lake; thence along the southerly shoreline of Bibon and Nibin Lakes to the portage to Stuart Lake; thence along the portage to Stuart Lake; thence along the southerly shoreline of Stuart Lake to its confluence with the Dahlgren River; thence northerly along the Dahlgren River to its confluence with the Boulder River; thence westerly along the Boulder River to the portage to Lake Agnes; thence along the portage to Lake Agnes; thence along the southerly shoreline of Lake Agnes to its confluence with Nina Moose River; thence westerly along the Nina Moose River to its confluence with the Oyster River; thence along the Oyster River to the portage to Oyster Lake; thence along the portage to Oyster Lake; thence along the southerly shoreline of Oyster Lake to the portage to Hustler Lake; thence along the portage to Hustler Lake; thence along the southerly shoreline of Hustler Lake to the portage to Ruby Lake; thence along the portage to Ruby Lake; thence along the southerly shoreline of Ruby Lake to the portage to Lynx Lake; thence along the portage to Lynx Lake; thence along the easterly and southerly shoreline of Lynx Lake to the portage to Little Shell Lake; thence along the portage to Little Shell Lake; thence along the southerly shoreline of Little Shell Lake to the portage to Shell Lake; thence along the portage to Shell Lake; thence along the southerly shoreline of Shell Lake to the portage to Lower Pauness Lake; thence along the portage to Lower Pauness Lake; thence along the easterly shoreline of Lower Pauness Lake to the Little Indian Sioux River; thence downstream on the Little Indian Sioux River to Loon Lake; thence along the southerly shoreline of Loon Lake to the point of beginning.

Subp. 29d. **Moose Zone 37.** Moose Zone 37 consists of that portion of the state lying within the following described boundary:

Beginning where the Trout Lake portage intersects the Boundary Waters Canoe Area Wilderness (BWCA) border; thence proceeding southerly and easterly along the north shore of Lake Vermilion to Armstrong Bay; thence westerly to the Soudan Underground Mine State Park boundary; thence southerly along the eastern boundary

of said park to State Trunk Highway (STH) 169; thence northeasterly on STH 169 to the intersection with County State-Aid Highway (CSAH) 16; thence southerly and easterly on CSAH 16 to the Silver Rapids bridge; thence along the westerly and southerly shore of Farm Lake to the BWCA border; thence northerly and easterly along said BWCA border to Snowbank Lake; thence westerly along said border to the intersection of Spring Creek and the BWCA border; thence southwesterly on Spring Creek to Hunch Lake; thence southwesterly from Hunch Lake along Slim Creek to its intersection with the BWCA border; thence following the southern BWCA border to the point of beginning.

Subp. 30. **Moose Zone 60.** Moose Zone 60 consists of that portion of the state lying within the following described boundary:

Beginning where the Boundary Waters Canoe Area Wilderness (BWCA) boundary intersects the stream between Little John and John Lakes; thence westerly, northerly, southerly, and easterly along said boundary to the point said boundary intersects with the United States-Canada international boundary at the Height of Land portage between North Lake and South Lake; thence southwesterly along the Height of Land portage; thence easterly and southerly along the United States-Canada international boundary through South, Rat, Rose, Rove, Watap, Mountain, Fan, Lily, Moose, and North Fowl Lakes to a point due north of the mouth of the Royal River in South Fowl Lake; thence southerly approximately one mile through said lake to the BWCA boundary; thence westerly, southerly, and northerly along said boundary to the point of beginning.

Subp. 31. **Moose Zone 61.** Moose Zone 61 consists of that portion of the state lying within the following described boundary:

Beginning at the junction of the portage trail connecting Round Lake in Section 33, Township 65 North, Range 4 West, to Missing Link Lake and the Boundary Waters Canoe Area Wilderness (BWCA) boundary; thence westerly and northerly along said boundary to Edith Lake; thence westerly along the southern shoreline of said lake to the stream connecting to Brant Lake; thence westerly along said stream and northwesterly through said lake to the portage trail to Gotter Lake; thence westerly along said portage trail and through said lake to the portage trail to Flying Lake; thence along said portage trail and northwesterly through said lake to the portage trail to Green Lake; thence southeasterly along said portage trail and through said lake to the portage trail to Bat Lake; thence along said portage trail and southwesterly through said lake to the portage trail to Gillis Lake; thence southerly across said portage and along the eastern and southern shores of Gillis Lake to the stream connecting to Crooked Lake; thence southeasterly along said stream and along the eastern shoreline of Crooked Lake to the stream to Tarry Lake; thence southerly along said stream and along the western shore of said lake to the stream to Mora Lake; thence southerly

along said stream and along the eastern and southern shores of said lake to the stream connecting to Time Lake; thence southeasterly along all streams and through Time, Whipped, Fente, and Afton Lakes to Frost River; thence easterly along Frost River, through Pencil and Chase Lakes; thence along the south shoreline of Octopus Lake to the eastern end of Octopus Lake; thence southeasterly along an unnamed flowage to Noodle Lake; thence southwesterly along an unnamed flowage to Wing Lake; thence southeasterly along the eastern shoreline of said lake to the portage connecting to Guard Lake; thence across said portage and across said lake to the portage to Ranger Lake; thence easterly across said portage and along the western and southern shoreline of said lake to a stream connecting to Cherokee Lake; thence easterly along said stream and northeasterly along the north shoreline of said lake and along all streams through Town and Cash Lakes to the southeast corner of Cash Lake; thence easterly along an unnamed flowage to the unnamed lake in the Northwest Quarter of the Southwest Quarter of Section 32, Township 64 North, Range 3 West; thence overland for approximately 0.5 miles easterly to an unnamed lake in the North Half of the Southeast Quarter of Section 32, Township 64 North, Range 3 West; thence easterly through said unnamed lake and along its outlet stream to Davis Lake; thence easterly along the southern shoreline of Davis Lake and along all streams and portages through Pup Lake to the portage to Winchell Lake; thence easterly across said portage and through said lake to the portage to Gaskin Lake; thence northerly over said portage to said lake; thence along the southern shoreline of Gaskin Lake and along all portages and through Icicle and Snack Lakes to Vista Lake; thence along the northern shoreline of Vista Lake to the portage to Jake Lake; thence across said portage and across Jake Lake to the stream to Morgan Lake; thence along said stream and across Morgan Lake to the portage connecting Morgan Lake to United States Forest Service Road 315; thence along said portage to the BWCA boundary; thence northerly and westerly along said boundary to the point of beginning.

Subp. 32. **Moose Zone 62.** Moose Zone 62 consists of that portion of the state lying within the following described boundary:

Beginning at the public water access on Kawishiwi Lake; thence northerly along the northeast shore of Kawishiwi Lake to the stream to Square Lake; thence northerly along said stream and along the eastern shoreline of Square Lake to the stream connecting to Kawasachong Lake; thence along said stream and along the western shore of said lake to the portage to Townline Lake; thence across said portage and through said lake to the portage to Polly Lake; thence across said portage and northerly through said lake to the outlet of the Kawishiwi River; thence downstream northerly on said river to Koma Lake; thence along the eastern shore of said lake to the Kawishiwi River connecting to Malberg Lake; thence along said river and along the west shore of said lake to the northwest corner of Malberg Lake; thence northwesterly across a

portage to Record River; thence northerly along said river to Kawishiwi River; thence northeasterly upstream along Kawishiwi River to the stream connecting to Kivaniva Lake; thence northerly along said stream and along the southeastern shore of said lake to drainage from Kivandeba Lake; thence along the drainage and southerly shoreline of said lake to the drainage from John Ek Lake; thence easterly along said drainage and along the southerly and westerly shorelines of said lake to the south end of said lake; thence overland for approximately 100 feet easterly to an unnamed flowage; thence easterly along said unnamed flowage across the South Half of the North Half of Section 31, Township 64 North, Range 5 West, and the South Half of the North Half of Section 32, Township 64 North, Range 5 West, to Teat Lake; thence easterly along said unnamed flowage through Teat and Lawless Lakes to the southern end of Lawless Lake; thence over land and all waters for approximately 0.8 miles southeasterly to the western end of Mesaba Lake; thence northeasterly on the north and west shoreline of said lake to an unnamed stream connecting to Hub Lake; thence northerly along said unnamed stream and along the east and south shores of Hub Lake to the stream connecting to Chuck Lake; thence easterly along said stream and along the south shoreline of Chuck Lake to the stream connecting to Florence Lake; thence along said stream and along the north shoreline of said lake to its northeast tip; thence overland for approximately 1,000 feet northeasterly to an unnamed lake in the Southwest Quarter of the Northwest Quarter of Section 36, Township 64 North, Range 5 West; thence through said lake to the stream connecting to Frost River; thence northeasterly along said stream; thence easterly along Frost River through Pencil and Chase Lakes; thence along the south shoreline of Octopus Lake to the eastern end of Octopus Lake; thence southeasterly along an unnamed flowage to Noodle Lake; thence southwesterly along an unnamed flowage to Wing Lake; thence along the eastern shoreline of said lake to its easternmost tip; thence across the portage to Guard Lake; thence across said lake to the portage to Ranger Lake; thence easterly across said portage and along the western and southern shoreline of said lake to a stream connecting to Cherokee Lake; thence easterly along said stream and northeasterly along the north shoreline of said lake and along all streams through Town and Cash Lakes to the southeast corner of Cash Lake; thence easterly along an unnamed flowage to the unnamed lake in the Northwest Quarter of the Southwest Quarter of Section 32, Township 64 North, Range 3 West; thence overland for approximately 0.5 miles easterly to an unnamed lake in the North Half of the Southeast Quarter of Section 32, Township 64 North, Range 3 West; thence easterly through said unnamed lake and along its outlet stream to Davis Lake; thence easterly along the southern shoreline of Davis Lake and along all streams and portages through Pup Lake to the portage to Winchell Lake; thence easterly across said portage and through said lake to the portage to Gaskin Lake; thence northerly over said portage to said lake; thence along the southern shoreline of Gaskin Lake and over all portages and through Icicle and Snack Lakes to Vista

Lake; thence along the northern shoreline of Vista Lake to the portage to Jake Lake; thence across said portage and across Jake Lake to the stream to Morgan Lake; thence along said stream and across Morgan Lake to the portage connecting Morgan Lake to United States Forest Service Road 315; thence along said portage to the Boundary Waters Canoe Area Wilderness boundary; thence southerly, westerly, and northerly along said boundary to the point of beginning.

Subp. 33. **Moose Zone 63.** Moose Zone 63 consists of that portion of the state lying within the following described boundary:

Beginning at the point where the Cook and Lake County boundaries meet the United States-Canada international boundary; thence southwesterly along said international boundary through Swamp Lake and to the portage connecting to Ashdick Lake; thence across said portage and southerly through said lake to a drainage from Chaco Lake; thence southerly approximately 1,000 feet along said drainage; thence southerly through Chaco Lake; thence along a drainage approximately 750 feet to an unnamed lake in the Northeast Quarter of Section 35, Township 66 North, Range 6 West; thence southerly through said lake and southerly through drainage for approximately 2,200 feet to an unnamed lake in the Southeast Quarter of Section 35, Township 66 North, Range 6 West; thence easterly through said lake to a drainage from an unnamed lake in the Northeast Quarter of the Southeast Quarter and the Southeast Quarter of the Northeast Quarter of Section 35, Township 66 North, Range 6 West; thence through said lake to a stream connecting to Nawakwa Lake; thence southeasterly along said stream and southerly through said lake to a stream connecting to Fish Lake; thence southerly along said stream and through said lake to a drainage connecting to the south end of Fish Lake; thence southeasterly about 1.2 miles in Section 12, Township 65 North, Range 6 West, through said drainage to Nectar Lake; thence across said lake to the southern shore; thence southerly approximately 1,300 feet to Kingfisher Lake; thence southeasterly across said lake to the stream to Jasper Lake; thence southeasterly through said stream and along the north shoreline of said lake to the portage to Tern Lake on the east shore of Jasper Lake; thence easterly along said portage and southeasterly through said lake to the easternmost point where a stream enters the lake; thence easterly and southerly along said stream and small unnamed lakes to the northeastern shore of an unnamed lake in the Southeast Quarter of the Northwest Quarter of Section 21, Township 65 North, Range 5 West; thence easterly approximately 3,800 feet over land and water to Rumpus Lake; thence easterly across said lake to the eastern shore; thence southeasterly approximately 1,000 feet to Acorn Lake; thence easterly across said lake to the eastern shore; thence easterly approximately 5,000 feet over land and water to the northernmost shoreline of Loop Lake; thence easterly approximately 1,300 feet to the northernmost shoreline of an unnamed lake lying partially in the Southwest Quarter of the Northwest Quarter of

Section 24, Township 65 North, Range 5 West; thence easterly approximately 1,500 feet to the western shore of Jap Lake; thence along the north shoreline of said lake to the stream connecting to Rally Lake; thence northeasterly along said stream and easterly through said lake to a stream to Squat Lake; thence along said stream and southerly through said lake to a stream connecting to a pond approximately 250 feet south of said lake; thence along said stream and through said pond to the south shore of said pond; thence south approximately 1,400 feet across land to Honker Lake; thence across said lake to the stream connecting to Bingshick Lake; thence southerly along said stream and southerly across said lake to the portages and stream connecting to Flying Lake; thence southerly across said stream, said portages, and said lake to the portage to Gotter Lake; thence across said portage and through said lake to the portage to Brant Lake; thence across said portage and through said lake to the stream connecting to Edith Lake; thence along said stream and along the southern shoreline of said lake to the Boundary Waters Canoe Area Wilderness boundary; thence northerly, westerly, easterly, and southerly along said boundary to the United States-Canada international boundary at the outlet from Magnetic Lake; thence northerly and westerly along said international boundary through Pine River, Granite River, Saganaga Lake, and Swamp Lake to the point of beginning.

Subp. 33a. **Moose Zone 64.** Moose Zone 64 consists of that portion of the state lying within the following described boundary:

Beginning at the United States-Canada international border on the east end of Birch Lake; thence proceeding northeasterly along said border to Swamp Lake and the portage connecting to Ashdick Lake; thence southerly across said portage and southerly through said lake to a drainage from Chaco Lake; thence southerly approximately 1,000 feet along said drainage; thence southerly through Chaco Lake; thence along a drainage approximately 750 feet to an unnamed lake in the Northeast Quarter of Section 35, Township 66 North, Range 6 West; thence southerly through said lake and southerly through a drainage for approximately 2,200 feet to an unnamed lake in the Southeast Quarter of Section 35, Township 66 North, Range 6 West; thence easterly through said lake to a drainage from an unnamed lake in the Northeast Quarter of the Southeast Quarter and the Southeast Quarter of the Northeast Quarter of Section 35, Township 66 North, Range 6 West; thence through said lake to a stream connecting to Nawakwa Lake; thence southeasterly along said stream and southerly through said lake to a stream connecting to Fish Lake; thence southerly along said stream and through said lake to a drainage connecting to the south end of Fish Lake; thence southeasterly about 1.2 miles in Section 12, Township 65 North, Range 6 West, through said drainage to Nectar Lake and to the southern shore of said lake; thence southerly overland approximately 1,300 feet to Kingfisher Lake; thence southeasterly through said lake to the stream to Jasper Lake; thence southeasterly through said

stream and along the north shoreline of said lake to the portage to Tern Lake on the east shore of Jasper Lake; thence easterly along said portage and southeasterly through said lake to the easternmost point where a stream enters the lake; thence easterly and southerly along said stream and small unnamed lakes to the northeastern shore of an unnamed lake in the Southeast Quarter of the Northwest Quarter of Section 21, Township 65 North, Range 5 West; thence easterly approximately 3,800 feet over land and water to Rumpus Lake; thence easterly across said lake to the eastern shore; thence southeasterly approximately 1,000 feet to Acorn Lake; thence easterly across said lake to the eastern shore; thence easterly approximately one mile over land and water to the northernmost shoreline of Loop Lake; thence easterly approximately 1,300 feet to the northernmost shoreline of an unnamed lake lying partially in the Southwest Quarter of the Northwest Quarter of Section 24, Township 65 North, Range 5 West; thence easterly approximately 1,500 feet to the western shore of Jap Lake; thence along the north shoreline of said lake to the stream connecting to Rally Lake; thence northeasterly along said stream and easterly through said lake to a stream to Squat Lake; thence along said stream and southerly through said lake to a stream connecting to a pond approximately 250 feet south of said lake; thence along said stream and through said pond to the south shore of said pond; thence south approximately 1,400 feet across land to Honker Lake; thence across said lake to the stream connecting to Bingshick Lake; thence southerly along said stream and southerly across said lake to the portages and stream connecting to Flying Lake; thence southerly across said stream, said portages, and said lake to the portage to Green Lake; thence westerly across said portage and through said lake to the portage to Bat Lake; thence westerly across said portage and through said lake to the portage to Gillis Lake; thence along the eastern and southern shoreline of said lake to the portage to Crooked Lake; thence southeasterly across said portage and along the eastern shoreline of said lake to the portage to Tarry Lake; thence southerly across said portage and along the western shoreline of said lake to the portage to Mora Lake; thence southerly across said portage and along the western and southern shoreline of said lake to the stream to Time Lake; thence southeasterly along all streams and through Time, Whipped, Fente, and Afton Lakes to Frost River; thence southeasterly along said river .25 mile; thence southwesterly through a stream and through an unnamed lake in the Southwest Quarter of the Northwest Quarter of Section 36, Township 64 North, Range 5 West; thence southwest overland approximately 1,000 feet to Florence Lake; thence along the westerly shoreline of said lake; thence along the southerly shoreline of Chuck Lake; thence follow southerly shore of all drainages northwesterly to Hub Lake; thence along the southerly shoreline of Hub Lake to the stream connecting to Mesaba Lake; thence along said stream and along the westerly and northerly shoreline of said lake to the portage to Chaser Lake; thence northwesterly over land and all waters for approximately .8 mile to the southerly side of Lawless Lake; thence through said lake

to a stream connecting to Teat Lake; thence along said stream and through said lake to the western shore; thence westerly along unnamed flowages across the South Half of the North Half of Section 32, Township 64 North, Range 5 West, and the South Half of the North Half of Section 31, Township 64 North, Range 5 West, to the southern end of John Ek Lake; thence along the westerly and southerly shorelines of John Ek Lake to the drainage to Kivandeba Lake; thence westerly along said drainage and along the southern shoreline of said lake to the drainage to Kivaniva Lake; thence southerly and westerly along said drainage and southerly along the eastern shore of said lake to the portage to the Kawishiwi River; thence across said portage and downstream on the Kawishiwi River to the portages to Alice Lake; thence across said portages to Alice Lake; thence along the southerly shore of Alice Lake to the Kawishiwi River; thence downstream on the Kawishiwi River to the portage to Insula Lake; thence across said portage to Insula Lake; thence along the easterly shoreline of Insula Lake to the portage to Kiana Lake; thence across said portage to Kiana Lake; thence along the easterly shoreline of Kiana Lake to the portage to Thomas Lake; thence across said portage to Thomas Lake; thence along the westerly shoreline of Thomas Lake to the portages to Hatchet Lake; thence across said portages to Hatchet Lake; thence northerly along flowage to the portage to Ima Lake; thence across said portage to Ima Lake; thence along the northerly shoreline of Ima Lake to the portage to Jordan Lake; thence across said portage to Jordan Lake; thence along the northerly shoreline of Jordan Lake to the portage to Adventure Lake; thence across said portage to Adventure Lake; thence along the northerly shoreline of Adventure Lake to the portage to Gibson Lake; thence across said portage to Gibson Lake; thence following the easterly shoreline of Gibson Lake to the portage to Ashigan Lake; thence across said portage to Ashigan Lake; thence following the easterly shoreline of Ashigan Lake to the portage to Ensign Lake; thence across said portage to Ensign Lake; thence following the northerly shoreline of Ensign Lake to the portage to Trident Lake; thence across said portage to Trident Lake; thence following the easterly shoreline of Trident Lake to the portage to Frog Lake; thence across said portage to Frog Lake; thence following the westerly shoreline of Frog Lake to the portage to Birch Lake; thence across said portage to Birch Lake; thence northeasterly along southerly shoreline of Birch Lake to the point of beginning.

Subp. 34. **Moose Zone 70.** Moose Zone 70 consists of that portion of the state lying within the following described boundary:

Beginning at the point where the Brule River crosses Minnesota Highway 61; thence northeasterly along Minnesota Highway 61 to the Grand Portage Indian Reservation boundary at the range line between Ranges 4 and 5 East; thence northerly along the Grand Portage Indian Reservation boundary to Swamp Lake; thence northwesterly along the Grand Portage Indian Reservation boundary to Pigeon River and the United

States-Canada international boundary; thence northwesterly along said international boundary on the Pigeon River and South Fowl Lake to a point due north of the mouth of Royal River; thence southerly approximately one mile to the Boundary Waters Canoe Area Wilderness boundary; thence westerly, southerly, and northerly along said boundary to Puff Creek; thence southwesterly approximately 900 feet along said creek to its junction with an unnamed creek on the section line between Sections 14 and 15, Township 64 North, Range 2 East; thence southeasterly along said unnamed creek to Tittle Lake; thence southeasterly through swamp for approximately one half mile to the unnamed lake in the Southwest Quarter of Section 13, Township 64 North, Range 2 East; thence southwesterly through approximately one half mile of swamp and upland to Greenwood Lake at a location in the Southeast Quarter of the Northeast Quarter of Section 23, Township 64 North, Range 2 East; thence southwesterly through Greenwood Lake to its outlet at Greenwood River; thence southerly along Greenwood River to its junction with Brule River; thence southeasterly along Brule River to the point of beginning.

Subp. 35. **Moose Zone 71.** Moose Zone 71 consists of that portion of the state lying within the following described boundary:

Beginning at the intersection of U.S. Highway 61 and the Devil Track River; thence northeasterly along U.S. Highway 61 to the range line between R. 4E and R. 5E; thence north along said range line to an unnamed lake in the Northeast Quarter of Section 13 of T. 63N, R. 4E; thence west-southwesterly to an unnamed creek entering Jackson Lake; thence along said creek, through Jackson Lake to Jackson Creek; thence along Jackson Creek to the Swamp River; thence along the Swamp River to County State-Aid Highway (CSAH) 16, Cook County; thence along CSAH 16 to Grand Portage State Forest Road (GPSFR) 2, Cook County; thence northwesterly along GPSFR 2 to the flowage from Moosehorn Lake toward the headwaters swamp of the Flute Reed River; thence along said flowage to the Flute Reed River; thence overland in a westerly direction to the junction at the Brule River and an unnamed stream near the center of the line between Sections 9 and 10 of T. 62N, R. 3E; thence along said unnamed stream to a trail (abandoned roadbed) in the Northwest Quarter of Section 9, T. 62N, R. 3E; thence in a southerly direction along said trail for approximately 1.6 miles to its junction with a second trail (abandoned roadbed); thence in a westerly direction along said second trail for approximately 1.5 miles to its junction with a third trail (abandoned roadbed); thence in a southerly direction along said third trail for approximately 2.25 miles to CSAH 14, Cook County; thence along CSAH 14 to CSAH 60, Cook County; thence in a westerly direction along CSAH 60 to its junction with the Devil Track River; thence along the Devil Track River to the point of beginning.

Subp. 36. **Moose Zone 72.** Moose Zone 72 consists of that portion of the state lying within the following described boundary:

Beginning at the intersection of Cook County State-Aid Highway (CSAH) 12 and United States Forest Service Road 146; thence northerly and easterly along said road to the stream connecting Aspen and East Bearskin Lakes; thence easterly along said stream to East Bearskin Lake; thence easterly through East Bearskin Lake to the Boundary Waters Canoe Area Wilderness (BWCA) boundary on the southern shore of said lake at the section line between Section 12, Township 64 North, Range 1 West, and Section 7, Township 64 North, Range 1 East; thence southerly, easterly, and northerly along said boundary to Puff Creek; thence southwesterly approximately 900 feet along said creek to its junction with an unnamed creek on the section line between Sections 14 and 15, Township 64 North, Range 2 East; thence southeasterly along said unnamed creek to Tittle Lake; thence southeasterly through swamp for approximately one half mile to the unnamed lake in the Southwest Quarter of Section 13, Township 64 North, Range 2 East; thence southwesterly through approximately one half mile of swamp and upland to Greenwood Lake at a location in the Southeast Quarter of the Northeast Quarter of Section 23, Township 64 North, Range 2 East; thence southwesterly through Greenwood Lake to its outlet at Greenwood River; thence southerly along Greenwood River to its junction with Brule River; thence westerly upstream along Brule River to Northern Light Lake; thence along the northern shoreline of said lake to the inlet of the Brule River; thence upstream along said river to the junction with South Brule River; thence easterly upstream along South Brule River to the BWCA boundary; thence westerly, northerly, and easterly along said boundary to Lizz Lake; thence northerly through said lake to the portage to Poplar Lake; thence northerly along said portage and along the southern shoreline of said lake to the line between the Northwest and the Southwest Quarters of Section 8, Township 64 North, Range 1 West; thence easterly across said lake to the stream connecting to Road Lake; thence northeasterly along said stream to CSAH 12, Cook County; thence along CSAH 12 to the point of beginning.

Subp. 37. **Moose Zone 73.** Moose Zone 73 consists of that portion of the state lying within the following described boundary:

Beginning at the intersection of County State-Aid Highway (CSAH) 12, Cook County, and CSAH 8, Cook County; thence along CSAH 8 to CSAH 27, Cook County; thence along CSAH 27 to Forest Road (FR) 323; thence along FR 323 to Ball Club Lake; thence northeasterly across said lake to the opposite shore; thence northwesterly and easterly along said shore to the easterly tip of the bay where it intersects with the Boundary Waters Canoe Area Wilderness boundary; thence easterly and northerly along said boundary to the South Brule River; thence downstream through said river to the confluence with the Brule River; thence southeasterly along the Brule River to

Northern Light Lake; thence along the northern shoreline of said lake to the outlet to Brule River; thence downstream along said river to Minnesota Highway 61; thence southwesterly along Minnesota Highway 61 to Devil Track River; thence northeasterly along Devil Track River to CSAH 60, Cook County; thence along CSAH 60 to CSAH 12, Cook County; thence along CSAH 12 to the point of beginning.

Subp. 38. **Moose Zone 74.** Moose Zone 74 consists of that portion of the state lying within the following described boundary:

Beginning at the intersection of County State-Aid Highway (CSAH) 12, Cook County, and Forest Road (FR) 146; thence northerly along CSAH 12 to the stream connecting Road Lake to Poplar Lake; thence southwesterly along said stream and westerly across said Poplar Lake along the line between the North Half and the South Half of Section 8, Township 64 North, Range 1 West to the shore of said lake; thence along the southern and western shorelines of said lake to the portage to Lizz Lake; thence southeasterly across said portage to Lizz Lake; thence across Lizz Lake to the Boundary Waters Canoe Area Wilderness (BWCA) boundary; thence westerly, northerly, easterly, and southerly to the United States-Canada international boundary at the outlet of Magnetic Lake; thence southerly and easterly along said international boundary through Gunflint, North, and South Lakes to its junction with the BWCA boundary at the Height of Land portage; thence westerly, southerly, and easterly along the BWCA boundary to the westernmost extent of said boundary on East Bearskin Lake; thence westerly through East Bearskin Lake to the stream connecting to Aspen Lake; thence westerly along said stream to FR 146; thence along FR 146 to the point of beginning.

Subp. 39. **Moose Zone 75.** Moose Zone 75 consists of that portion of the state lying within the following described boundary:

Beginning at the intersection of U.S. Highway 61 and Cascade River; thence in a northerly direction along Cascade River to the unnamed creek near the center of Section 24 of Township 61 North, Range 2 West (T. 61 N, R. 2W); thence in an easterly direction along said unnamed creek to its headwaters swamp on the section line between Sections 16 and 21, T. 61N, R 2W; thence in an easterly direction along said section line for approximately 1 mile through said swamp and upland to County State-Aid Highway (CSAH) 48, Cook County; thence along CSAH 48 to CSAH 7, Cook County; thence along CSAH 7 to CSAH 6, Cook County; thence along CSAH 6 to CSAH 8, Cook County; thence along CSAH 8 to CSAH 12, Cook County; thence along CSAH 12 to CSAH 60, Cook County; thence in an easterly direction along CSAH 60 to Devil Track River; thence along Devil Track River to U.S. Highway 61; thence along U.S. Highway 61 to the point of beginning.
