

**6264.0400 DESIGNATED SPECIAL MANAGEMENT WATERS.**

Subpart 1. [Repealed, 28 SR 629]

Subp. 2. **Catch-and-release fishing on trout streams.** While on or fishing in the following waters, angling for trout shall be limited to catch and release only, whereby any trout caught must be immediately returned to the water. Catch-and-release angling for trout shall be legal during the open season for trout in inland streams. Legal methods for taking trout are limited to artificial lures and flies.

|    | Name                            | Location                                                                                                                                                                                                                                                                                    | County             |
|----|---------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| A. | Kedron Creek                    | T.104, R.13, S.36 from the confluence with Bear Creek upstream approximately 1.1 miles to the permanent source - entire stream                                                                                                                                                              | Fillmore           |
| B. | Root River, South Fork          | T.102, R.8, S.17,18,19 and R.9, S.24,25,26, from the County Road 12 crossing in T.102, R.8, S.17, upstream approximately 7.7 miles to the permanent source (large springs) in T.102, R.9, S.26                                                                                              | Fillmore           |
| C. | Whitewater River, Middle Branch | T.107, R.10, S.19,20,30 and R.11, S.24,25,26,35 and T.106, R.11, S.2,3,10, from the posted boundary at the point where a state park trail crosses the stream in the SE 1/4 NE 1/4 S.19, T.107, R.10, upstream approximately 9.2 miles to the source in the SW 1/4 NE 1/4, S.10, T.106, R.11 | Olmsted and Winona |

Subp. 3. [Repealed, 39 SR 5]

Subp. 4. **Mille Lacs Lake and associated tributaries special management regulations.**

A. While a person is on or fishing in Mille Lacs Lake or its associated tributaries to the posted boundaries, all northern pike in possession must be less than 24 inches in length or greater than 36 inches in length. All northern pike that are 24 to 36 inches in length, inclusive, must be immediately returned to the water. A person's possession limit may not include more than one northern pike over 36 inches in length.

B. The possession limit for smallmouth bass is one. While a person is on or fishing in Mille Lacs Lake or its associated tributaries to the posted boundaries, all smallmouth bass in possession must be 21 inches or greater in length. All smallmouth bass less than 21 inches in length must be immediately returned to the water.

C. Mille Lacs Lake is closed to the taking of fish between the hours of 10 p.m. and 6 a.m. daily during the period commencing at 10 p.m. on the Monday following the Saturday two weeks prior to the Saturday of Memorial Day weekend and ending at 12:01 a.m. on Monday, four weeks

after the date of commencement. During the closure, no person shall be on the waters of Mille Lacs Lake while having in possession any equipment whereby fish may be taken. Spearing is prohibited from December 1 through April 30. A person may not have a spear in possession while on or fishing in Mille Lacs Lake during this period.

D. The commissioner may modify seasons and limits under Minnesota Statutes, section 84.027, subdivision 13, or sections 97A.0451 to 97A.0459, to accommodate tribal declarations for fish harvest in the 1837 Ceded Territory in compliance with the court ruling in *Mille Lacs Band of Chippewa v. Minnesota*, 119 S.Ct. 1187 (1999). Changes shall be posted at water access sites and the Department of Natural Resources website.

E. While a person is on or fishing in Mille Lacs Lake or its associated tributaries to the posted boundaries, the possession and daily limit for Northern cisco (tullibee) is ten fish.

F. Fish that are taken by angling and not immediately released into the water after capture are considered to be in possession and part of the bag limit. Once a fish has been reduced to possession, culling or live-well sorting (the act of exchanging one fish for another) is not allowed.

G. This subpart applies to the following waters.

|      | Name                        | Location                    | County             |
|------|-----------------------------|-----------------------------|--------------------|

Subp. 32. **Lake sturgeon restrictions.** As described in part 6262.1000 and Minnesota Statutes, sections 97A.551 and 97C.087, a special fish management endorsement is required to harvest lake sturgeon. Notwithstanding part 6266.0700, subpart 2, item B, the following seasons and possession limits apply to all Minnesota-Canadian border waters and associated tributary streams. A person may possess only one lake sturgeon per license year. Lake sturgeon may be harvested from April 24 to May 7 or July 1 to September 30. All lake sturgeon in possession while on or fishing in the above listed waters must be 45 inches to 50 inches in length, inclusive, or greater than 75 inches in length. All lake sturgeon that are less than 45 inches in length or that are more than 50 inches but not more than 75 inches in length, must be immediately returned to the water. From May 8 to May 15 and October 1 to April 23, angling for lake sturgeon is limited to catch and release only. During catch-and-release seasons all sturgeon must be immediately released back into the water.

Subp. 33. **Lake of the Woods and Rainy River; walleye and sauger.**

A. Notwithstanding part 6266.0700, subpart 2, item A, the seasons and possession limits for walleye and sauger in the aggregate as specified in this subpart apply to the specified portions of Lake of the Woods and Rainy River and to the tributaries listed in part 6266.0700, subpart 1, items R and KK. Except as further restricted in item D, a person may have only four walleye from these water bodies in possession, regardless of whether they are taken from Lake of the Woods or Rainy River.

B. From the Saturday two weeks prior to the Saturday of Memorial Day weekend to November 30, the daily and possession limits for Lake of the Woods are as follows: six in the aggregate and not more than one walleye over 28.0 inches. All walleye in possession must be less than 19.5 inches in length or greater than 28.0 inches in length. All walleye that are 19.5 to 28.0 inches in length, inclusive, must be immediately returned to the water.

C. Except as provided in item D, from December 1 to April 14, the daily and possession limits for Lake of the Woods are as follows: six in the aggregate and not more than one walleye over 28.0 inches. All walleye in possession must be less than 19.5 inches in length or greater than 28.0 inches in length. All walleye that are 19.5 to 28.0 inches in length, inclusive, must be immediately returned to the water.

D. From March 1 to April 14, while a person is on or angling in Four Mile Bay of Lake of the Woods and Rainy River, angling for walleye and sauger is limited to catch and release only, whereby any walleye or sauger caught must be immediately returned to the water.

E. From the Saturday two weeks prior to the Saturday of Memorial Day weekend to the last day in February, the daily and possession limits for Rainy River are as follows: six in the aggregate and not more than one walleye over 28.0 inches. All walleye in possession must be less than 19.5 inches in length or greater than 28.0 inches in length. All walleye that are 19.5 to 28.0 inches in length, inclusive, must be immediately returned to the water.

| Red Wing Pottery Pond | T.113, R.15, S.25 | Goodhue |

Subp. 58. [Repealed, 46 SR 1026]

**Subp. 59. Upper Red Lake and listed tributaries.**

A. While a person is on or fishing in the waters listed under item C:

(1) the daily and possession limit for northern pike is three fish, of which not more than one northern pike shall be over 40 inches in length; and

(2) all northern pike in possession must be less than 30 inches in length or greater than 40 inches in length. All northern pike that are 30 to 40 inches in length, inclusive, must be immediately returned to the water.

B. While a person is on or fishing in the waters listed under item C:

(1) the daily and possession limit for walleye is two fish, of which not more than one walleye shall be over 26 inches in length;

(2) all walleye in possession must be less than 17 inches or greater than 26 inches in length;

(3) all walleye that are 17 inches to 26 inches in length, inclusive, must be immediately returned to the water; and

(4) a person's statewide bag limit shall not include more than two walleye taken from Upper Red Lake and the tributaries listed under item C.

C. This subpart applies to the following waters:

|     | Name                                                                  | Location                                                                           | County   |

Subp. 77. **Mink and Somers Lakes special regulations.**

A. While a person is on or fishing in the waters listed in item B:

(1) all walleye in possession must be 17 inches or greater in length. Walleye less than 17 inches must be immediately returned to the water. Daily and possession limit is three;

(2) all largemouth bass in possession must be less than 12 inches or greater than 20 inches in length. All largemouth bass that are 12 to 20 inches in length, inclusive, must be immediately returned to the water. Daily and possession limit may include not more than one largemouth bass over 20 inches in length;

(3) all northern pike in possession must be less than 24 inches in length or greater than 36 inches in length. All northern pike that are 24 to 36 inches in length, inclusive, must be immediately returned to the water. Daily and possession limit may include not more than one northern pike over 36 inches in length; and

(4) possession or use of live minnows, excluding leeches, as bait is prohibited. Processed minnows in a dried, frozen, or pickled condition are allowed.

B. This subpart applies to the following waters:

| Name            | Location             | County |
|-----------------|----------------------|--------|
| (1) Mink Lake   | T.121, R.27, S.23-25 | Wright |
| (2) Somers Lake | T.121, R.27, S.24-25 | Wright |

Subp. 78. **Otter Tail River smallmouth bass catch-and-release regulation.** While a person is on or angling in the following waters, angling for smallmouth bass is limited to catch and release only, whereby any smallmouth bass caught must be immediately returned to the water.

| Name             | Location                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | County                     |

Subp. 88. [Repealed, 44 SR 933]

Subp. 89. [Repealed, 46 SR 1026]

Subp. 90. **Lake St. Croix and St. Croix River lake sturgeon regulations.** As described in part 6262.1000 and Minnesota Statutes, sections 97A.551 and 97C.087, a special fish management endorsement is required to harvest lake sturgeon. Notwithstanding part 6266.0500, subpart 3, the following seasons and possession limits apply to all waters of Lake St. Croix and the St. Croix River of the Minnesota-Wisconsin boundary waters between Prescott and Taylor's Falls Dam. Lake sturgeon may be harvested from the first Saturday in September to September 30. While a person is on or angling in these waters, all lake sturgeon in possession must be 60 inches or greater in length. All lake sturgeon less than 60 inches in length must be immediately returned to the water. A person may possess only one lake sturgeon per calendar year. From October 1 to October 15, angling for lake sturgeon is limited to catch and release only. During the catch-and-release season, all lake sturgeon caught must be immediately released.

Subp. 91. **Coon Lake walleye regulations.** While a person is on or angling in the following waters, all walleye in possession must be 17 inches or greater in length. All walleye less than 17 inches in length must be immediately returned to the water.

| Name      | Location               | County |
|-----------|------------------------|--------|
| Coon Lake | T.33, R.23, S. Various | Anoka  |

Subp. 92. **Little McDonald Lake and Kerbs Lake walleye regulation.** While on or angling in the following waters, all walleye in possession must be less than 17 inches in length or greater than 26 inches in length. All walleye that are 17 to 26 inches in length, inclusive, must be immediately returned to the water. Possession and daily limit may not include more than one walleye over 26 inches in length.

|    | Name            | Location                   | County     |
|----|-----------------|----------------------------|------------|
| A. | Little McDonald | T.136, R.40, S.2,3,9,10,11 | Otter Tail |
| B. | Kerbs           | T.136, R.40, S.4,9         | Otter Tail |

Subp. 93. **Little Mantrap Lake largemouth bass regulation.** While a person is on or angling in the following waters, all largemouth bass in possession must be less than 12 inches or greater than 20 inches in length. All largemouth bass that are 12 to 20 inches in length, inclusive, must be immediately returned to the water. Possession and daily limit may not include more than one largemouth bass over 20 inches in length.

| Name           | Location                   | County             |
|----------------|----------------------------|--------------------|
| Little Mantrap | T.142, R.35,36, S. Various | Hubbard,<br>Becker |

Subp. 94. **Rabbit and East Rabbit Lakes northern pike regulations.** While a person is on or fishing in the following waters, all northern pike in possession must be less than 24 inches in length or greater than 36 inches in length. All northern pike that are 24 to 36 inches in length, inclusive, must be immediately returned to the water. Daily and possession limit may not include more than one northern pike over 36 inches in length.

|    | Name            | Location                                 | County    |

Subp. 148. **Sunfish regulation; daily limit of five.** While a person is on or angling in the following waters, the daily limit for sunfish is five. Possession limits under part 6262.0200 apply. No more than a single daily limit for sunfish may be in immediate physical possession while on or angling in the listed water body. A person who is in transit on the water, taking the most direct route back to the person's lodging or docking, and not angling may possess legally taken sunfish in excess of the daily limit for that water body.

Subp. 149. **Sunfish regulation; daily limit of ten.** While a person is on or angling in the following waters, the daily limit for sunfish is ten. Possession limits under part 6262.0200 apply. No more than a single daily limit for sunfish may be in immediate physical possession while on or angling in the listed water body. A person who is in transit on the water, taking the most direct route back to the person's lodging or docking, and not angling may possess legally taken sunfish in excess of the daily limit for that water body.

|    | Name                                                                                                                                                                                                                                                                                 | Location                                            | County     |

Subp. 150. **Crappie regulation; daily limit of five.** While a person is on or angling in the following waters, the daily limit for crappie is five. Possession limits under part 6262.0200 apply. No more than a single daily limit for crappie may be in immediate physical possession while on or angling in the listed water body. A person who is in transit on the water, taking the most direct route back to the person's lodging or docking, and not angling may possess legally taken crappie in excess of the daily limit for that water body.

Subp. 151. **Crappie regulation; minimum size limit and daily limit of five.** While a person is on or angling in the following waters, all crappie in possession must be ten inches or greater in length. All crappie less than ten inches in length must be immediately returned to the water. The daily limit for crappie is five. Possession limits under part 6262.0200 apply. No more than a single daily limit for crappie may be in immediate physical possession while on or angling in the listed water body. A person who is in transit on the water, taking the most direct route back to the person's lodging or docking, and not angling may possess legally taken crappie in excess of the daily limit for that water body.

Subp. 155. **Rainy Lake; walleye restrictions.** To the extent that this subpart is inconsistent with part 6266.0700, subpart 2, this subpart prevails. While a person is on or fishing in the following waters, all walleye in possession or under control, regardless of where taken, must be less than 18 inches in length or greater than 26 inches in length. All walleye that are 18 to 26 inches in length, inclusive, must be immediately returned to the water. A person's possession and daily limit for walleye is four and must not include more than one walleye over 26 inches in length. Walleye legally taken from Ontario waters of Rainy Lake that do not comply with the length limits of this subpart may be possessed only with documentation of a residence or property on Ontario waters of Rainy Lake or a dated receipt from an Ontario resort on Rainy Lake as proof of fishing on Ontario waters of Rainy Lake. A person in possession of walleye that were legally taken from Ontario waters of Rainy Lake but that are not within the legal sizes under this subpart may not fish on the following waters.
