

**6400.7070 LICENSE REINSTATEMENT.**

An assisted living director previously licensed in this state whose license has lapsed may apply under items A to C for reinstatement of a license within five years of the date the individual was last licensed. If an individual's license has been revoked or if the individual has not been licensed for five years or more, the license cannot be reinstated but the former licensee may apply for relicensure under the requirements in part 6400.7010.

A. If a license has been lapsed in Minnesota for less than two years prior to the date of the application for reinstatement, the board must reinstate the license if the former licensee has not had disciplinary action against a health care professional license in Minnesota or another jurisdiction during the time that the Minnesota license was lapsed and the former licensee:

- (1) files with the board a completed application for reinstatement;
- (2) provides evidence of having completed the continuing education requirements under part 6400.7090, subpart 1, for each of the years the license has lapsed; and
- (3) pays the license renewal and late fees for each of the years the license has lapsed.

B. If a license has been lapsed in Minnesota for more than two years but less than five years prior to the date of the application for reinstatement and the former licensee has been continuously licensed as an assisted living director or health services executive in one or more other jurisdictions since the date the license lapsed in Minnesota, the board must reinstate the license if the former licensee has not had disciplinary action against a health care professional license in Minnesota or another jurisdiction during the time the Minnesota license was lapsed and the former licensee:

- (1) files with the board a completed application for reinstatement;
- (2) provides evidence of having completed the continuing education requirements under part 6400.7090, subpart 1, for each of the years the license has lapsed;
- (3) pays the license renewal and late fees for each of the years the license has lapsed; and
- (4) successfully completes the state examination.

C. If a license has been lapsed in Minnesota for more than two years but less than five years prior to the date of the application for reinstatement and the former licensee has not been continuously licensed in one or more jurisdictions since the date the license lapsed in Minnesota, the board must reinstate the license if the former licensee has not had disciplinary action against a health care professional license in Minnesota or another jurisdiction during the time that the Minnesota license was lapsed and the former licensee:

- (1) files with the board a completed application for reinstatement;
- (2) provides evidence of having completed the continuing education requirements under part 6400.7090, subpart 1, for each of the years the license has lapsed;
- (3) pays the license renewal and late fees for each of the years the license has lapsed;

- (4) successfully completes the state examination; and
- (5) successfully completes the NAB core knowledge and line of service examinations.
