

6800.5200 INTERNSHIP.

The purpose of parts 6800.5100 to 6800.5600 is to define and regulate the internship experience of prospective pharmacists as required by Minnesota Statutes, sections 151.10 and 151.101. These parts take effect immediately but do not nullify any period of internship service by any individual previous to their adoption if the period of internship is filed in a proper manner with the director of the Board of Pharmacy.
