

7007.4030 LIMITATION ON USE OF OFFSETS.

To the extent that these parts create a program for the use of offsets or allow persons to purchase or obtain offsets, parts 7007.4000 to 7007.4030 shall not be construed to create a property right that requires compensation from the state should offsets later become unusable due to a change in an applicable emission limitation or standard of the agency.
