

7023.0250 LOW-EMISSION VEHICLE STANDARDS.

Subpart 1. **Requirement.** Beginning with the first effective model year, all of the following that are produced by a motor vehicle manufacturer and delivered for sale or lease in the state must be certified to the standards incorporated by reference under part 7023.0150, subpart 2, except as provided under subpart 2:

- A. new motor vehicles that are passenger cars, light-duty trucks, medium-duty passenger vehicles, and medium-duty vehicles;
- B. new light- or medium-duty motor vehicle engines; and
- C. motor vehicles with a new motor vehicle engine.

Subp. 2. **Exceptions.** This part does not apply to:

- A. a used motor vehicle;
- B. a new motor vehicle sold to another dealer;
- C. a new motor vehicle sold to be wrecked or dismantled;
- D. a new motor vehicle sold exclusively for off-highway use;
- E. a new motor vehicle sold for registration out-of-state;
- F. a new motor vehicle that has been certified to standards adopted under authority granted in United States Code, title 42, section 7521, and that is in the possession of a rental agency in the state and that is next rented with a final destination outside of the state;
- G. an authorized emergency vehicle;
- H. a military tactical vehicle;
- I. a new motor vehicle transferred by inheritance;
- J. a new motor vehicle transferred by court decree;
- K. a new motor vehicle acquired by a state resident to replace a motor vehicle that was registered to the resident and that, while out of state, was damaged, became inoperative beyond reasonable repair, or was stolen if the replacement motor vehicle is acquired out of state at the time the previously owned vehicle was damaged, became inoperative, or was stolen; or
- L. a new motor vehicle purchased and registered in another state by a person who is a resident of that state and who subsequently establishes residency in Minnesota. Upon registering the new motor vehicle in Minnesota, the person must provide evidence to the commissioner of the previous residence and registration.

Subp. 3. **Fleet average emissions.**

- A. For first effective model year motor vehicles and all subsequent model year motor vehicles to which this part applies, a motor vehicle manufacturer must not exceed the fleet average

nonmethane organic gas plus oxides of nitrogen emission values under California Code of Regulations, title 13, section 1961.2. Credits and debits may be accrued and used based on a manufacturer's sales in the state of motor vehicles subject to this part according to California Code of Regulations, title 13, section 1961.2(c).

B. For first effective model year motor vehicles and all subsequent model year motor vehicles to which this part applies, a motor vehicle manufacturer must not exceed the fleet average greenhouse gas exhaust emission values under California Code of Regulations, title 13, section 1961.3. For first effective model year motor vehicles and all subsequent model year motor vehicles, manufacturers of medium-duty vehicles produced by a motor vehicle manufacturer and delivered for sale or lease in the state must not exceed the greenhouse gas emission standards under California Code of Regulations, title 13, section 1956.8(h)(6). Credits and debits may be accrued and used based on a manufacturer's sales in the state of motor vehicles subject to this part according to California Code of Regulations, title 13, section 1961.3.

Subp. 4. **Environmental performance labels.** Beginning with the first effective model year and all subsequent model years, all new motor vehicles subject to this part produced by a motor vehicle manufacturer and delivered for sale or lease in the state must be affixed with emission control labels and environmental performance labels according to California Code of Regulations, title 13, section 1965.

Subp. 5. **Warranty requirements.** For all motor vehicles subject to this part, the motor vehicle manufacturer must provide defect warranty coverage that complies with California Code of Regulations, title 13, sections 2035, 2037 to 2041, and 2046.

Subp. 6. **Recall requirements.** For all motor vehicles subject to this part and subject to recall in California, the motor vehicle manufacturer must undertake a recall campaign in this state according to California Code of Regulations, title 13, sections 2111 to 2121 and 2122 to 2135, unless the manufacturer demonstrates to the commissioner that the recall is not applicable to motor vehicles registered in Minnesota.

Subp. 7. **Reporting requirements.**

A. By May 1 of the calendar year after the end of the model year, a motor vehicle manufacturer must annually submit to the commissioner a report demonstrating that the motor vehicle manufacturer has met the requirements of subpart 3, item A, for its fleet delivered for sale in the state.

B. By May 1 of the calendar year after the end of the model year, a motor vehicle manufacturer must annually submit to the commissioner a report demonstrating that the motor vehicle manufacturer has met the requirements of subpart 3, item B, for its fleet delivered for sale in the state.

C. If requested by the commissioner, a motor vehicle manufacturer must provide reports in the same format as provided to CARB on all assembly-line emission testing and functional test results collected as a result of compliance with this part, warranty claim reports, recall reports, and any other reports required by CARB under the regulations incorporated by reference under part

7023.0150. The reports must be supplemented with data on motor vehicles delivered for sale or registered in Minnesota.

D. If the commissioner deems it necessary to administer and enforce this part, the commissioner must require a motor vehicle manufacturer subject to this part to submit additional documentation, including all certification materials submitted to CARB.

Subp. 8. Record availability and retention; reporting noncompliance.

A. Upon oral or written request of the commissioner, a person subject to this part must furnish to the commissioner or allow the commissioner to access and copy all records that relate to the motor vehicles that are subject to this part and that are relevant for determining compliance with this part. Unless otherwise specified, a person subject to this part must retain all relevant records for at least five years after creating the records.

B. If a report issued by a motor vehicle manufacturer under subpart 7 demonstrates noncompliance with the fleet average under subpart 3 for a model year, the manufacturer must, within 60 days, file a report with the commissioner to document the noncompliance. The report must identify all motor vehicle models delivered for sale or lease in the state, the models' corresponding certification standards, and the percentage of each model delivered for sale in this state and California in relation to total fleet sales in the respective state.
