

7045.0245 LICENSE APPROVAL AND ISSUANCE.

Subpart 1. **Review and approval.** The commissioner shall conduct a review of the license application and shall:

- A. approve the hazardous waste generator license application;
- B. require the submission of additional information or management plans or both to make the license application complete and approvable;
- C. require changes in the management of the hazardous waste or wastes to make the license application approvable; or
- D. deny the license.

Subp. 2. **License issuance.** The commissioner will issue a hazardous waste generator license upon approval of the application under subpart 1 and payment in full of generator fees required under chapter 7046.
