

7049.0620 REPORTING.

A. Every POTW authority that has one or more significant industrial users shall submit a pretreatment annual report to the agency for each calendar year during which it has a significant industrial user. If more than one jurisdiction is involved in the POTW local pretreatment program, the annual report shall report on activities of all participating agencies. Required contents of annual reports are specified in part 7049.1020 for POTWs with pretreatment programs that have been approved under parts 7049.0800 to 7049.0950 and in part 7049.0720 for all other POTWs.

B. Information collected pursuant to this chapter shall be provided to the agency upon request.
