

7151.7500 RELEASES AND DISCHARGES TO A SECONDARY CONTAINMENT AREA.

Subpart 1. **Release investigation.** An owner or operator shall immediately investigate a suspected release or discharge to a secondary containment area.

Subp. 2. **Assessment of secondary containment area following release.** The owner or operator shall assess for damage any secondary containment area where there was a release of a stored substance from an aboveground storage tank into a secondary containment area. The owner or operator shall repair the secondary containment area pursuant to part 7151.5400 or 7151.6400, as applicable, prior to continued substance storage.

Subp. 3. **Reporting.** An owner or operator shall notify the agency immediately of discharges to a secondary containment area, including those associated with substance transfer areas, in conformance with the requirements of Minnesota Statutes, section 115.061.
