

7151.9300 VARIANCES.

Any person who applies for a variance from any requirement of this chapter shall comply with part 7000.7000. An application for a variance must be acted on by the agency pursuant to part 7000.7000 and Minnesota Statutes, section 116.07, subdivision 5. However, no variance may be granted that would result in noncompliance with applicable federal rules and regulations for aboveground storage tanks.
