

7580.1000 MODIFICATION TO PLAN.

Subpart 1. **Notifying the department.** The PSAP manager through the local unit of government responsible for the operation of the PSAP shall notify the Department of Public Safety 30 days in advance of any proposed modification to the 911 system which would modify the plan as certified consistent with the provisions of part 7580.0400.

Subp. 2. **Department's response.** Within 30 days of receipt of such proposed modification, the Department of Public Safety shall review it for consistency with the requirements of funding eligibility set forth in part 7580.1100, and issue its approval or disapproval. If the modifications are disapproved, such proposed changes shall be ineligible for funding assistance.
