

**7601.3000 RAILWAY TRACK SCALES; PLANS.**

Subpart 1. **Manufacturer's plans.** Before installing a railway track scale, the scale manufacturer shall furnish complete design, assembly, and construction plans to the purchaser.

Subp. 2. **Installer's plans.** The scale purchaser shall furnish installation plans to the director. The plans must show the scale location, the foundation drawings, and all commodity-handling equipment that could affect the operation of the scale. The plans must also include the information on soil bearing required by part 7601.3020, subpart 1.
