

7811.0350 LOCAL RESALE SERVICE CERTIFICATION.

Subpart 1. **Scope of certificate.** A certificate to provide local resale service exclusively authorizes the provision of local service as a reseller throughout the service area identified in the petition. It does not authorize the provision of other telecommunications service and it does not authorize the provision of local service through the applicant's own network facilities or through the purchase and recombination of a local exchange carrier's network facilities.

Subp. 2. **Filing requirements.** A petition for authority to provide local service as a reseller must include the information required under part 7811.0300, subpart 2, items A to L and item O, except for the information relevant only to facilities-based service identified or contemplated in part 7811.0300, subpart 2, items G and K. The applicant shall provide any additional information needed to demonstrate that it satisfies the requirements for certification under subpart 3.

Subp. 3. **Decision criteria.** A certificate to provide local service as a reseller must be granted when the applicant establishes that it has the financial, technical, and managerial capability to provide the services described in its petition consistent with the public interest, including the requirements of this chapter, Minnesota Statutes, section 237.16, and all other applicable laws, rules, and commission orders. The decision to grant a certificate under this part must be based on the criteria in part 7811.0300, subpart 3, to the extent those criteria relate to the applicant's technical, managerial, and financial ability to provide resale service consistent with the public interest, including the requirements of this chapter, Minnesota Statutes, section 237.16, and all other applicable laws, rules, and commission orders.

Subp. 4. **Conditional certificate.** The commission may grant a conditional certificate for local resale service as provided in part 7811.0300, subpart 4.

Subp. 5. **Amended certificate for change in service area.** A reseller may expand its service area as provided in part 7811.0300, subpart 5.

Subp. 6. **Changes in terms and conditions.** A reseller may change its terms and conditions of service as provided under part 7811.0300, subpart 6.
