

**7817.0700 ADJUSTMENT TO LEVEL OF SURCHARGE AND CREDITS.**

When it appears to the commission that the revenue generated by the maximum level of surcharge permitted under part 7817.0300 will be inadequate to fund a particular level of telephone assistance credits, the commission by official order and on 30 days' notice to the local service providers, shall reduce the credits to a level that can be adequately funded by the maximum level of surcharge. Similarly, the commission by official order and on 30 days' notice to the local service providers, may increase the level of the telephone assistance credits that are available or reduce the surcharge to a level and for a period of time that will prevent an unreasonable overcollection of surcharge revenues.
