A miscellaneous filing includes a filing involving a new service offering; a change in a utility's rates, services, terms, or conditions of service; a change in a utility's corporate structure, assigned service area, or capital structure, when conducted separately from a general rate proceeding; filings made under the rules governing automatic adjustment of charges in chapter 7825; or any related matter.

The inclusion of a particular type of filing in this list does not require a filing that would not otherwise be required or confer jurisdiction that would not otherwise be present.

This does not include recommendations for action made in comments, or in motions made during a proceeding before an administrative law judge.

A party to a proceeding is styled a "petitioner," "complainant," "intervenor," or "respondent," according to the nature of the proceeding and the relationship of the party to the proceeding.

Subp. 15. **Person.** "Person" means a natural person, corporation, municipal corporation, public corporation, utility, governmental entity, government agency, association, partnership, receiver, joint venture, trustee at common law or statutory trust guardian, or executor.

## **7829.0200 SCOPE AND CONSTRUCTION.**

Subpart 1. **Construction.** This chapter must be construed to secure the just, speedy, and economical determination of issues before the commission. This chapter must be construed in light of the commission's statutory authority and responsibilities.

Subp. 2. **Conflicting statutes and substantive rules to control.** This chapter governs practice and procedure in matters before the commission except when a statute or a rule on a specific topic contains procedural requirements in direct conflict with this chapter. Then, the statute or rule on a specific topic controls insofar as it is in direct conflict with this chapter.

**History:** *19 SR 116*

**Published Electronically:** *August 21, 2007*

#### **7829.0250 REPRESENTATIONS TO COMMISSION.**

A person who signs a pleading, motion, or similar filing, or enters an appearance at a commission meeting, by doing so represents that the person is authorized to do so, has a good faith belief that statements of fact made are true and correct, and that legal assertions are warranted by existing law or by a nonfrivolous argument for the extension or reversal of existing law or the modification or establishment of rules.

**History:** *40 SR 1329*

**Published Electronically:** *June 14, 2016*

#### **7829.0300 COMPUTATION OF TIME.**

**History:** *19 SR 116*

**Published Electronically:** *August 21, 2007*

#### **7829.0400 SERVICE AND FILING REQUIREMENTS.**

Subpart 1. **Filing.** Filings must be made in a manner consistent with the filing requirements of Minnesota Statutes, section 216.17, subdivision 3, and must be directed to the attention of the executive secretary. With the prior consent of the executive secretary, a person may file by facsimile transmission, mail, or personal delivery.

Subp. 2. [Repealed, 40 SR 1329]

Subp. 3. **Proof of service.** Filings must be accompanied by proof of service on the persons on the appropriate service list.

Subp. 4. **Format.** Filings must identify the nature of the filing as briefly as possible, for example, "Replies to Exceptions to Report of Administrative Law Judge," and indicate that the matter is before the Minnesota Public Utilities Commission. Filings after the original filing must include the title and commission-assigned docket number of the matter. Paper filings must be on 8-1/2 by 11-inch paper, unless the executive secretary authorizes a nonconforming filing for good cause shown. Electronic filings must be submitted in a text-searchable format, and any scanned documents must include optical character

recognition data. Filings made pursuant to parts 7810.8620, 7810.8685, and 7825.3900, as well as schedules provided pursuant to Minnesota Statutes, section 216B.16, subdivision 17, paragraph (a), shall also include the required data in an industry standard spreadsheet format supported by the electronic filing system.

Subp. 5. **Service; method.** Service may be accomplished by first class mail, by delivery in person, or electronically upon recipients who have agreed to electronic service as provided in Minnesota Statutes, section 216.17, subdivision 4, unless otherwise provided by law or commission order.

Subp. 5a. **Service and filing; completion.** A document filed with the commission must be served the same day on the persons listed on the appropriate service list, except when this chapter permits service of a summary of the filing. Unless the executive secretary directs otherwise for specific documents, electronic service is complete upon receipt of confirmation of submission of the document. If the electronic filing system administrator requires that a document be resubmitted, electronic service is complete only upon receipt of a subsequent confirmation of submission. Filings are filed with the commission when received during regular business hours. Service by mail is complete upon mailing, except service upon the department, which is complete upon receipt by the department. When a party or participant is represented by an attorney, service upon the attorney is considered service upon the party or participant.

Subp. 6. **Proceeding before administrative law judge.** During the time that a matter is before an administrative law judge, service and filing requirements are controlled by the rules of the Office of Administrative Hearings and by any orders issued under those rules by the administrative law judge.

**Statutory Authority:** *MS s 216A.05*

**History:** *19 SR 116; 40 SR 1329*

**Published Electronically:** *June 14, 2016*

#### **7829.0410 MOTION FILINGS.**

Subpart 1. **Form and content.** A party to a proceeding making a motion filing shall make it in writing, state the grounds for the motion, and set forth the requested commission action. A party shall file and serve a motion filing on the persons listed on the official service list. As a part of a motion filing, a party shall advise other parties that any opposition to the motion must be filed and served on the same list of persons within 14 days of service of the motion filing. The commission will consider only motion filings signed by a party or the party's attorney or authorized representative.

Subp. 2. **Responses.** A party responding to a motion filing shall file and serve a response on the persons listed on the official service list within 14 days of service of the motion filing.

**Statutory Authority:** *MS s 216A.05*

**History:** *40 SR 1329*

**Published Electronically:** *June 14, 2016*

#### **7829.0420 UNTIMELY FILINGS.**

Subpart 1. **When filings may be excluded.** On its own motion or at the request of any party or participant, the commission may exclude a filing from the record:

A. when the filing was not made within a time period established by rule, notice, or commission order; and

B. upon a commission determination that the value of the document to the commission's deliberative process is outweighed by prejudice to a party, participant, or the public interest caused by the untimeliness.

Documents in the agencies' electronic filing system excluded under this part shall remain in the agencies' electronic filing system, but shall be marked as "excluded from record by commission order" in search results.

Subp. 2. **Required statement.** A person filing a document outside a time period established by rule, notice, order, or statute shall clearly mark the document as "late filed" and include a statement explaining why the filing was untimely and why it should not be excluded by the commission.

Subp. 3. **Documents offered less than one day before consideration.** A party or participant offering a document less than one full business day prior to, or at, the commission meeting to consider issues relevant to the document, must provide ten paper copies to commission staff and sufficient paper copies for the offering party to distribute to all parties and to be available to members of the public in attendance. The offering party or participant must electronically file the document within one business day following the commission meeting if it was not electronically filed prior to the meeting.

**Statutory Authority:** *MS s 216A.05*

**History:** *40 SR 1329*

**Published Electronically:** *June 14, 2016*

#### **7829.0430 WITHDRAWAL OF FILINGS.**

Subpart 1. **Uncontested withdrawal.** The commission delegates to the executive secretary authority to approve the withdrawal of a filing. Approval will be granted by the executive secretary if the following conditions are met:

A. the party that submitted the filing has requested that the filing be withdrawn and has served notice on the persons listed on the official service list;

B. no person has expressed opposition to withdrawal of the filing within 14 days of service of the notice; and

C. no commissioner or commission staff person has identified a reason that the matter should not be withdrawn.

Subp. 2. **Contested withdrawal.** If any person opposes a withdrawal request within 14 days of service of the notice, the commission will allow a filing to be withdrawn at the request of the filing party if the commission determines that the proposed withdrawal:

A. does not contravene the public interest;

B. does not prejudice any party; and

C. does not concern a filing that raises issues requiring commission action.

If the commission determines that withdrawal would contravene the public interest or would prejudice a party, the commission may permit withdrawal only subject to conditions that mitigate the harm identified.

**Statutory Authority:** *MS s 216A.05*

**History:** *40 SR 1329*

**Published Electronically:** *June 14, 2016*

#### **7829.0500 PROTECTED DATA.**

Subpart 1. **Confidentiality protected.** Nothing in this chapter requires public disclosure of protected data or any disclosure of privileged data.

Subp. 2. **Procedure for excision.** A person filing documents containing protected data or other privileged information shall file one copy of the document with the protected data redacted. The first page or cover page of a document from which protected data has been excised must be clearly captioned in bold print "PUBLIC DOCUMENT - NOT PUBLIC (OR PRIVILEGED) DATA HAS BEEN EXCISED." The beginning and end of the excised protected data must be identified. One copy of the document without redactions shall be filed, designated as required in subpart 4, and identified as a not public or trade secret document during the electronic submission process.

Subp. 3. **Identification of excised material.** When a person classifies an entire document, or a substantial part of a document, as protected data, the person shall file a description of the excised material that includes at least the following information: the nature of the material, its authors, its general import, and the date on which it was prepared.

Subp. 4. **Document containing protected data.** The first page or cover page of a document containing protected data must be clearly marked in bold print "NOT PUBLIC DOCUMENT – NOT FOR PUBLIC DISCLOSURE" or with words of similar import. Every page on which protected data appears must be similarly marked and the protected data must be underlined, placed in brackets, or otherwise clearly identified as the data which is to be protected from disclosure.

Subp. 5. **Statement required.** In all cases where a person or entity files data with the commission that is identified as protected data, an accompanying statement justifying the state agencies treating the data as protected data must also be filed. This justification must include an explanation of how the data is classified under the Minnesota Government Data Practices Act, Minnesota Statutes, chapter 13, or is privileged under a rule of privilege recognized by law.

**Statutory Authority:** *MS s 216A.05*

**History:** *19 SR 116; 40 SR 1329*

**Published Electronically:** *June 14, 2016*

#### **7829.0600 GENERAL SERVICE LIST.**

Subpart 1. **Establishing list.** Persons desiring to receive notice of particular types of filings and who are qualified to intervene under part 7829.0800 shall file with the utility a written list of the types of filings they wish to receive, as well as the person's name, address, and an electronic address if they agree to electronic service. The utility shall maintain general service lists of persons who have filed these requests. The utility shall add to each list the persons who intervened in its last general rate case and persons on the official service list for its last filing of the same type.

Subp. 2. **Annual updating.** The utility may delete from its general service list a person who fails to respond within 30 days to an annual mailing inquiring whether that person wishes to continue receiving the filings requested.

Subp. 3. **Periodic addition.** A person may be added to the utility's general service list at any time by filing a request under subpart 1, even if the person failed to respond to an annual mailing as described in subpart 2.

Subp. 4. **Jurisdiction unaffected.** The service lists established in this part are intended to provide the earliest possible notice to persons who may be interested in a particular filing. The requirements of this part do not displace or add to legal notice requirements, and a utility's failure to comply with this part does not deprive the commission of jurisdiction over a matter of which it would otherwise have jurisdiction, require dismissal of a filing, or invalidate any determination made by the commission in the matter.

Subp. 5. **Party or participant status unaffected.** Inclusion on a general service list does not confer party or participant status on persons included on the list.

**Statutory Authority:** *MS s 216A.05*

**History:** *19 SR 116; 40 SR 1329*

**Published Electronically:** *June 14, 2016*

## 7829.0700 OFFICIAL SERVICE LIST.

Subpart 1. **Content.** The official service list for each proceeding consists of the names, addresses, and electronic addresses of the parties, and of the participants who have filed a written request for inclusion on the service list with the executive secretary.

Subp. 2. **Establishment and updating.** The commission shall establish the official service list at the conclusion of the initial comment period, or immediately following an initial filing for which no initial comment period is required, and shall maintain and provide the list electronically. Upon request, the commission shall mail a copy of the list to the parties and to participants who have filed written requests for inclusion. A list established before commission action on a petition for intervention must include those persons whose intervention petitions are pending. Upon request, the commission shall mail an updated official service list to the parties and participants if the official service list is later expanded or reduced. The commission need not mail the official service list in proceedings when the only parties are the department and a petitioner, complainant, or respondent. The commission shall provide the official service list electronically rather than by mail to a party who has agreed to electronic service as provided in Minnesota Statutes, section 216.17, subdivision 4.

Subp. 3. **Limiting service list.** On its own motion or at the request of a party, the commission shall limit the service list to parties to the proceeding if it finds that requiring service on participants is unduly burdensome.

Subp. 4. **Name and address change.** A party or participant who wishes to change the name or address of a person receiving service on behalf of the party or participant shall provide written notice of the change to the executive secretary and to persons on the official service list. The commission shall remove a participant from the official service list after two attempts at service are returned as undeliverable.

Subp. 5. **Proceeding before administrative law judge.** In proceedings before an administrative law judge in which the judge establishes a service list, the names on that service list must remain on the official service list for the remainder of the proceeding.

**Statutory Authority:** *MS s 216A.05*

**History:** *19 SR 116; 40 SR 1329*

**Published Electronically:** *June 14, 2016*

#### **7829.0800 PETITION TO INTERVENE.**

Subpart 1. **Filing and service.** A person who desires to become a party to a proceeding shall file a petition to intervene within the time set in this chapter. The petition must be served on known parties and those persons on the utility's general service list for the matter, if applicable. A petition to intervene must be signed by the person wishing to become a party, or by the person's attorney or authorized representative.

Subp. 2. **Grounds for intervention.** The petition must allege the grounds for intervention and must be granted upon a showing that: the person is specifically considered by statute to be interested in the particular type of matter at issue; the person is specifically declared by statute to be an interested party; or the outcome of the proceeding will bind or affect the person with respect to an interest peculiar to that person, as distinguished from an interest common to the public or other ratepayers in general, or the person's interests are not adequately represented by one or more other parties participating in the case.

Subp. 3. **Intervention as of right.** The department and the Office of the Attorney General may intervene as of right in any proceeding before the commission. They become parties upon filing comments under this chapter or upon written notice to the commission of an intent to intervene, and need not file petitions to intervene, except when the rules of the Office of Administrative Hearings require it.

Subp. 4. **Objection to intervention.** An objection to intervention must be filed within ten days of service of the petition to intervene.

Subp. 5. **Disposition of petition.** If there is no objection to intervention and a petition to intervene is not denied or suspended within 15 days of filing, the petition to intervene must be considered granted, unless the matter is referred to the Office of Administrative Hearings for contested case proceedings before the expiration of the 15-day period.

Subp. 6. **Proceeding before administrative law judge.** During the time that a matter is before an administrative law judge, intervention procedures are governed by the rules of the Office of Administrative Hearings and by orders issued under those rules by the administrative law judge.

**Statutory Authority:** *MS s 216A.05*

**History:** *19 SR 116; 40 SR 1329*

**Published Electronically:** *June 14, 2016*

#### **7829.0850 WITHDRAWAL OF A PARTY.**

A party wishing to withdraw must file a motion, which the commission will consider promptly in the course of the proceeding.

**Statutory Authority:** *MS s 216A.05*

**History:** *40 SR 1329*

**Published Electronically:** *June 14, 2016*

#### **7829.0900 PARTICIPANT.**

**History:** *19 SR 116*

**Published Electronically:** *August 21, 2007*

#### **7829.1000 REFERRAL FOR CONTESTED CASE PROCEEDING.**

If a proceeding involves contested material facts and there is a right to a hearing under statute or rule, or if the commission finds that all significant issues have not been resolved to its satisfaction, the commission shall refer the matter to the Office of Administrative Hearings for contested case proceedings, unless:

A. all parties waive their rights to contested case proceedings and instead request informal or expedited proceedings, and the commission finds that informal or expedited proceedings would be in the public interest; or

B. a different procedural treatment is required by statute.

**Statutory Authority:** *MS s 216A.05*

**History:** *19 SR 116*

**Published Electronically:** *August 21, 2007*

Subpart 1. **Delegation of uncontested proceedings.** As authorized by Minnesota Statutes, section 216A.03, subdivision 8, the commission may establish by order a subcommittee to act on uncontested proceedings. The subcommittee will act on behalf of the commission only when:

A. commission staff determines a proceeding involves no disputed or novel issues; and

B. no party, participant, or commissioner has requested that the proceeding not be delegated to a subcommittee.

The commission will maintain on its Web site a list of all proceedings delegated under this subpart, and will indicate the subcommittee's disposition for each proceeding. Service of an order reflecting disposition by the subcommittee constitutes receipt by the parties, participants, and commissioners for the purposes of Minnesota Statutes, section 216A.03, subdivision 8, paragraph (b).

Subp. 2. **Other subcommittees.** This part does not limit the circumstances under which the commission may delegate other functions to a subcommittee.

**History:** *19 SR 116*

**Published Electronically:** *August 21, 2007*

#### **7829.1200 INFORMAL OR EXPEDITED PROCEEDING.**

Subpart 1. **When appropriate.** Informal or expedited proceedings may be used when contested case proceedings are not required, for example, when:

- A. there are no material facts in dispute;
- B. the parties and the commission have agreed to informal or expedited proceedings; or
- C. informal or expedited proceedings are authorized or required by statute.

Subp. 2. **Presentation of facts.** Written submissions are the preferred method of introducing facts. The commission shall allow oral presentation of facts when that can be done without compromising the rights of any person or the integrity of the proceeding. In informal proceedings, the commission shall require that factual allegations be made under oath or by affirmation when facts appear to be in dispute. In expedited proceedings, the commission shall require that factual allegations be made under oath or by affirmation and that documents filed in the proceeding be verified.

Subp. 3. **Notice.** The commission shall notify the persons on the official service list at least ten days before a meeting at which it may act on the basis of informal or expedited proceedings. Under exigent circumstances the executive secretary shall reduce the ten-day notice period.

Subpart 1. **When applied.** Unless otherwise provided in statute or rule, this part shall apply to all comment periods established in this chapter.

Subp. 2. **Additional comments and comments on supplemental or corrected filings.** If further information is required to make a fully informed decision, the commission shall require additional comments and identify specific issues requiring further development. The commission shall provide opportunity for other parties to respond to additional comments, or to a supplemental or corrected filing, when the additional comment, supplement, or correction raises a new issue.

For other filings, the filing party may serve the summary described in subpart 1 on persons on the applicable general service list. The filing party shall serve with the filing or the summary a copy of its general service list for the filing.

  - E. the signature, electronic address, and title of the utility employee responsible for the filing;
- and
