

7848.1100 FOLLOW-UP ON TRANSMISSION PLANNING MEETINGS.

Utilities shall encourage but not require persons attending transmission planning meetings to sign an attendance register and to list mailing and e-mail addresses to which the utility can send transmission planning updates. Following each transmission planning meeting the utility shall prepare a synopsis of its presentation, public input received, and how the public input has influenced its decision-making process. The utility shall mail or e-mail this synopsis to all persons who signed the attendance register and listed a mailing or e-mail address, all persons who have asked to be on the utility's transmission planning mailing list, and each transmission liaison designated under part 7848.1000, subpart 1. The utility shall also post the synopsis on its website.
