

7884.0190 QUALIFYING RACES.

Subpart 1. **Scheduling of qualifying races.** Weather conditions permitting, qualifying races shall be scheduled at least once a week if the meet extends longer than two weeks and shall be conducted under the supervision of the stewards.

Subp. 2. **Horses required to compete in qualifying races for race meets longer than two weeks.** If the meet extends longer than two weeks, the following horses shall not be eligible to enter any race until they have competed in qualifying races:

A. A horse that does not have a charted race at the gait chosen.

B. A horse that does not show a charted line within the last six starts. For that purpose an uncharted race contested in heats or more than one dash and consolidated shall be considered to be a start.

C. A horse that has not started for a period of 45 days or more.

D. A horse which has raced at a meeting at which races were not charted.

Subp. 2a. **Horses required to compete in qualifying races regardless of duration of meet.** The following horses shall not be eligible to enter any race until they have competed in qualifying races:

A. A horse that is on the qualifying list.

B. A horse that chokes, bleeds, or falls during a warmup or a race.

C. A horse that has made breaks in two consecutive races or which breaks in its first start following a qualifying race.

D. A horse that has been distanced.

Subp. 3. **Preferred or invitational horses.** The stewards may permit a preferred or invitational horse to qualify by means of a timed workout consistent with the time of preferred or invitational races that have been completed at the race meeting.

Subp. 4. **Stewards may set standards.** The stewards may establish a qualifying time for an individual horse consistent with that horse's past performance.

Subp. 5. **Qualifying drivers.** If a qualifying race is conducted for the purpose of qualifying drivers and/or to improve a driver's eligibility to move up in class, and not to qualify horses, the race need not be charted, timed, or recorded, but this clause does not apply to races qualifying both horses and drivers.

Subp. 6. **Qualifying times shall be posted.** Qualifying times shall be established by the association and those times and any subsequent changes to them shall be approved by the stewards and posted so that they are available for inspection by participants.

Subp. 7. **Trainers to be notified.** Trainers of horses placed on the qualifying list shall be advised by the stewards or their designee of that fact by written notice which must also be posted in the racing office.

Subp. 8. **Medications.** All horses racing in qualifying races must participate under the same medication requirements as those for race days.
