

8200.9320 INTERACTION WITH DEPARTMENT OF PUBLIC SAFETY.

The Secretary of State, in cooperation with the commissioner of public safety, shall develop a single unified application for use by the Department of Public Safety to permit eligible voters who have indicated they wish to register to vote to simultaneously register to vote and apply for a driver's license or state identification card. The Secretary of State and the commissioner of public safety may access a common database of information entered from this application.

The information from the unified application for voter registration and a driver's license or state identification card must be transferred electronically from the commissioner of public safety to the Secretary of State. The Secretary of State shall make available to each county auditor the data necessary to add or update a voter record on the statewide registration system. The county auditor shall process the data in the manner provided in part 8200.9315.
