

8230.0560 BALLOTS.

Ballots must meet or exceed the specifications the equipment manufacturer has filed with the secretary of state. The election official responsible for preparing the ballots must supply to the ballot printer the equipment manufacturer's recommended standards and specifications for ballot printing.

The ballots must be stored in a manner to protect against moisture.

The local election official must certify to the county auditor the number of ballots received for each ballot style. The local election official or county auditor shall package the ballots for each precinct in groups of 25, 50, or 100 and seal or place the ballots into a package or transfer case. The package or transfer case must contain a certificate stating the number of ballots it contains. All ballots not issued to a precinct or assigned for absentee voting must be secured and accounted for by the official conducting the election. The official conducting the election must maintain a record of the number of ballots issued to each precinct. The ballots must be delivered to the chief election judge of each precinct.
