

**8230.4355 BALLOT BOXES FOR PRECINCT COUNTING CENTERS.**

Ballot boxes used with precinct count voting systems may be separate or part of the ballot counting equipment provided that the ballot is fed directly into a locked or sealed ballot box. The ballot box may contain a compartment that receives ballots on which all votes have been counted except those for offices for which the write-in target has been completed. An auxiliary ballot box, that may be separate or an additional compartment, must be supplied to be used if the voting system fails to function or for ballots that cannot be read by the ballot counter.
